

Ramin Hamidi, D.O
530 S. Jackson Street
Louisville, Kentucky 40202
(502) 852-5875 phone number
(502) 852-1754 fax number
Ramin.Hamidi@louisville.edu

EDUCATION

1993 B.S. in Biochemistry, University of British Columbia (UBC), Vancouver, Canada
1996 M.Sc. in Neuropharmacology, Faculty of Pharmacy, UBC
2000 D.O, Kansas City University of Medicine and Biosciences, Kansas City, MO
2007 Residency, Oakwood/Southshore Hospital, Dearborn, MI
2008 Fellowship, Henry Ford Hospital, Detroit, MI
2017 M.B.A., Kelley School of Business, IUPUI

ACADEMIC APPOINTMENTS

2022 - Present Vice Chairman of Clinical Affairs
University of Louisville
Louisville, Kentucky

2022 – Present Assistant Professor of Neuroradiology
Department of Radiology
University of Louisville
Louisville, Kentucky

2018 – 2022 Assistant professor of Neuroradiology
University of Mississippi Medical Center
Jackson, MS

OTHER POSITIONS AND EMPLOYMENT

2017 - 2018 **Neuro/General Radiologist**
Southern Indiana Radiology Associates
IU Bloomington Hospital, Bloomington, IN

2015 – 2017 **Neuro/General Radiologist**

Radiology of Indiana
St. Francis and Community Hospital systems, Indianapolis, IN

2009 – 2015 **Neuro/General Radiologist**

Cleveland Clinic Hospital
Hillcrest Hospital (Mayfield, OH) and Main Campus

2008 – 2009 **Neuro/General Radiologist**

TC Hobbs and Associates

Doctor's West Hospital, Columbus, Ohio

CERTIFICATION AND LICENSURE

12/2021 Kentucky State Medical License (active)

HONORS AND AWARDS

02/2020 The Southern Society of Clinical Investigation – Southern Regional Meeting 2020
Awarded third place in the SSCI Poster Award

09/2019 2019 American Medical Association EXPO Research Symposium
Awarded Top 100 Best Posters of the AMA 2019

CLINICAL ACTIVITIES

Medical Student Clerkship Co-Director at UMMC
Providing lectures and tutorials to medical students

Director of Neuroradiology MRI Safety at UMMC
MRI Safety officer for Neuroradiology cases

ACGME Neuroradiology Committee member
Involved in fellow lectures and training

UMMC Radiology Diversity and Inclusion Champion
Educated residents and helped direct policies toward more inclusion and diversity without sacrificing talent

ABSTRACTS AND PRESENTATIONS

ORAL PRESENTATIONS

Florez E., Claudio C., Flowers W., Dyess L., Miller S., Khadivi A., Johnson C., Martin D., Robertson T., Varney E., **Hamidi R.**, Gordy D., Lirette S., Rimes J., Fatemi-Ardekani A., Howard C.M. The relationship of abdominal fat density with simple anthropometric measures and its correlation with cardiovascular disease (CVD) risk factors in African Americans (AA). Hattiesburg, MS *83rd Annual Mississippi Academy of Sciences Meeting*. Feb 21-21, 2019.

Howard C.M., Florez E., Flowers W., Dyess L., Miller S., Khadivi A., Claudio C., Johnson C., Martin D., Robertson T., Varney E., **Hamidi R.**, Gordy D., Lirette S., Fatemi-Ardekani A. Simple anthropometric biomarkers of complex body composition as predictors of cardiovascular risk among African Americans. Hattiesburg, MS *83rd Annual Mississippi Academy of Sciences Meeting*. Feb 21-21, 2019.

POSTERS

Manzoul K., Varney E.T., Taylor C., Hooker J., Lirette S., Gordy D., **Hamidi R.**, Joyner D., Nichols T., Parker E., Baird S., Rizvi T., Claudio C., Sitta J., Patel N., Gordji R., Kreckler A., Wilson G., Powell S., Florez E., Smith A., and Howard C.M. Prospective validation of colored non-enhanced head CT images for detecting acute stroke in the setting of a Code Gray. *Mississippi Academy of Science Summer Symposium*. July 2019.

Manzoul K., Varney E.T., Taylor C., Hooker J., Lirette S., Gordy D., **Hamidi R.**, Joyner D., Nichols T., Parker E., Baird S., Rizvi T., Claudio C., Sitta J., Patel N., Gordji R., Krecker A., Wilson G., Powell S., Florez E., Smith A., and Howard C.M. Prospective validation of colored non-enhanced head CT images for detecting acute stroke in the setting of a Code Gray. *Mississippi IDEA Conference for Biomedical Research*. August 2019.

Manzoul K., Varney E.T., Taylor C., Hooker J., Lirette S., Gordy D., **Hamidi R.**, Joyner D., Nichols T., Parker E., Baird S., Rizvi T., Claudio C., Sitta J., Patel N., Gordji R., Krecker A., Wilson G., Powell S., Florez E., Smith A., and Howard C.M. Prospective validation of colored non-enhanced head CT images for detecting acute stroke in the setting of a Code Gray. *The Delta Clinical and Translational science Health Disparities Conference*. August 2019.

Varney E., Claudio C., Florez E., Flowers W., Dyess L., Miller S., Khadivi A., Johnson C., Martin D., Robertson T., **Hamidi R.**, Gordy D., Rimes J., Lirette S., FatemiArdekani A., Howard C.M. Effect of liver surface nodularity, sarcopenia and visceral obesity as risk factors in African American adults. 83rd Annual Mississippi Academy of Sciences Meetin. Feb 21-21, 2019.

Manzoul K., Varney E.T., Taylor C., Hooker J., Lirette S., Gordy D., **Hamidi R.**, Joyner D., Nichols T., Parker E., Baird S., Rizvi T., Claudio C., Sitta J., Patel N., Gordji R., Krecker A., Wilson G., Powell S., Florez E., Smith A., and Howard C.M. Prospective validation of colored non-enhanced head CT images for detecting acute stroke in the setting of a Code Gray. Mississippi Academy of Science Summer Symposium. July 2019.

Patel N., Manzoul K., Krecker A., Taylor C., Hooker J., Lirette S., Gordy D., **Hamidi R.**, Joyner D., Nichols T., Parker E., Rizvi T., Powell S., Varney E.T., Smith A., Howard C.M. Prospective Validation of Colored Non-Enhanced Head CT Images for Detecting Acute Stroke in the Setting of a Code Gray. *2019 American Medical Association EXPO Research Symposium*. September 2019. Awarded Top 100 Best Posters of the AMA 2019.

Reese, E. Florez, W. Flowers, L. Dyess, S. Miller, C.R. Johnson, B.J. Rushing, A.H. Khadivi, C. Claudio, D. Martin, T. Robertson, E. Varney, **Hamidi, R.**, S.T. Lirette, C. Howard. Association of Abdominal Fat Density with Simple Anthropometric Measures and its Correlation with Cardiovascular Disease Risk Factors among African Americans. Oral presentation. 84th Annual Meeting - Mississippi Academy of Science. February 21, 2020. Biloxi Convention Center, Biloxi, MS.

E. Florez, **Hamidi, R.**, C. Howard. Response Assessment in Recurrent Glioblastoma Based on Contrast-Enhanced T1-Weighted Subtraction Color Maps and RANO Criteria. Poster presentation. The Southern Society of Clinical Investigation - Southern Regional Meeting 2020. February 13, 2020. InterContinental New Orleans, New Orleans, Louisiana.
