PROFESSIONAL MEMBERSHIPS AND ACTIVITIES

Dates List these in groupings by professional organization, noting leadership positions and other positions held. If, however, you have served as editor in many contexts, consider grouping these together under a separate heading by publication.

HONORS AND AWARDS

Dates (Note: you may also list elite fellowship programs, those to which you were accepted on the basis of a competitive, as opposed to first-come, first-serve application process)

COMMITTEE ASSIGNMENTS AND ADMINISTRATIVE SERVICES

Dates Note leadership positions held. Include university and non-university activities in separate sub-sections (e.g., work with NIH study groups)

EDUCATIONAL ACTIVITIES

Identify your teaching activities
Separate courses/lectures offered to professionals and those for students/residents
Note your role (course developer, course director, instructor)
Include supervision of doctoral students and thesis supervision in a research setting
Include graduate student teaching
Identify teaching residents in a clinical setting
Include advising responsibilities
Invited lectures

CLINICAL ACTIVITIES

Identify your role (Clinic Director, patient care, hospitalist)
Include a brief description of clinical activities (location of services provided, patients served, and clinical research)

GRANTS AND CONTRACTS (Number each grant)

Use two sub-headings, separating grant awards from contracts
List under sections of pending, current, and past
Include the title of the grant
Identify the granting agency and grant number (state the corresponding U of L Office of Grants Management or Office of Industrial Contracts grant number)
Note award total, demarcating total direct and indirect costs
State your role (identify the PI if you are not the PI), percent effort, and percent collaboration
State dates of grants

PATENTS (Indicate patent status; e.g. pending, awarded)

EDITORIAL WORK

Dates Include journal name

ABSTRACTS AND PRESENTATIONS

- Use an asterisk to demarcate invited talks and meetings that you helped to organize.
- List title of presentation, authors, name of conference or organization, location of conference, month and year.
- If abstract or poster is published, list journal and date of publication.
- Number each and **highlight your name in bold**

ORAL PRESENTATIONS

National/International Meetings

Local/Regional Meetings

POSTERS

National/International Meetings

Local/Regional Meetings

PUBLICATIONS

- Number each and highlight **your name in bold**
- Place an asterisk next to your name, if you were the senior/corresponding author)
