Personal Background

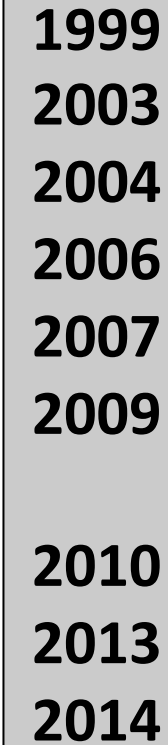

Personal Background

Timeline

Research

MS, Germany	1999
PhD, Germany	2003
Postdoc, Florida	2004
Research Associate, New York	2006
	2007
Faculty, New York	2009
	2010
	2013
	2014

Scholarly Work

Nucleic Acids & RNA catalysts

Generation

Heidelberg:

2 first author articles
1 book chapter

Structure

Florida State University:

2 first author articles
3 other research articles
2 patents

Folding

Einstein:

5 first author articles
2 corr. author articles
2 other research article
1 patent application
