

- If you previously installed Softtest, remove it.
Mac users: Open “Finder”, go to applications and drag “Soft Test” to the trash
Windows 10 Users: click the Windows button, the settings icon (cog), Apps & Features, then scroll down to “Softtest” and click “Uninstall”

- To install Exemplify:
Go to www.examsoft.com/louisvillemed

- Log in under 'Exam Takers' using:
Institution ID: louisvillemed
StudentID: {Custom.StudentID}
Password: {Custom.Passwd}

- Download Exemplify (It may still be called ‘Softtest’) and complete the installation process. Launch Exemplify and register using your Institution ID: louisvillemed, StudentID and password.

- iPad users must download Exemplify from the App Store in their iPads.
