Quick Start Guide

Health Science Campus / University of Louisville - School of Medicine

CTR 123/124

Room PC *(Recommended)*

If you plan to use the PC in the room, follow these instructions:

1. Press PROJ ON on the box at the podium.
2. Press PC
3. The Projector will now turn on.
4. Use the Computer located in the front of the room. It will be displaying to all the projectors.

Laptop

If you plan to bring a laptop and hook it into the projector, follow these instructions:

1. On the podium there is an HDMI cable with a variety of adapters attached to it. Connect this to your laptop.
   a. It is recommended you acquire any adapters you need to convert from HDMI to what your laptop supports and keep it on you if you plan to use your laptop.
2. Press PROJ ON on the box at the podium
3. Press HDMI
4. The projectors will now turn on.
5. Your laptop should now be displaying on the projector.

Please Press PROJ OFF when you are finished with the room.
