[I am a new user](#) · [I forgot my username or password](#) · [User Manual](#)

FOM© is an online accounting and instrument management software.

FOM© is FREE for small research group use (online scheduler only, with a minimal installation fee).

FOM© supports unlimited number of instruments, unlimited number of facilities, and unlimited number of users.

FOM© can be used as a simple scheduler or as a complicated management system. It can be used in a single laboratory, or used to host all the facilities on campus.

If you are interested in using FOM©, please contact FOM Networks at info@FOMNetworks.com.

Visit <http://www.FOMNetworks.com/> to see the features of FOM©

Instrument Logoff

Don't forget to Logoff when you are done!!!

The screenshot shows a web interface for instrument logoff. On the left is a navigation menu with options like 'Zhenya - Home', 'PVD 75 (UofL_MH)', 'Collaborate & Service', 'Purchase Supplies', 'Documents', 'User Report', 'My Profile', 'My Accounts', 'Contact Manager', 'Logout', and 'User Forum'. The main area is a calendar grid for the week of March 24-30, 2013, with time slots from 00:00 to 15:00. A modal window titled 'PVD 75 - Logoff' is open, displaying a questionnaire. The questionnaire includes a 'Comment' field, a selection for the account number (Oups, 100%), and several required fields marked with an asterisk: Target materials* (AI), Source #'s* (1), Number of runs* (1), Pumping Time (min)* (15), Base Pressure (Torr)* (4e-5), DC or RF* (DC), Power (W)* (300), and Time (min)* (2). A red arrow points from the 'Logoff Questionnaire' text below to the 'Logoff Book' text below.

Logoff Questionnaire → Logoff Book
