## I. GENERAL INFORMATION

### **Introduction and History**

The University of Louisville School of Music offers the serious student of music an opportunity to study with distinguished faculty and to participate in a wide range of musical activities, both within the School and the community. Historically and philosophically, the School has had a profound impact on the cultural life of Louisville. ## **Music Fees**

All School of Music majors are charged a Student Music Fee of \$175 per semester, pro-rated for part-time students. This fee helps to offset expenditures exclusively related to music majors including, but not limited to accompanists, technology and infrastructure, student activities, and student tickets to concerts. Of direct benefit to music students is the access to four, one-hour services each semester with a staff piano accompanist, the availability of half-hour, secondary instrument applied music lessons on a space available/permission of secondary and major teachers for four semesters, and free tickets provided to Louisville Ballet, Chamber Music Society, Kentucky Opera, Speed Concert Series, and Louisville Orchestra Classics events.

Music minors and non-music majors approved to take applied lessons within the School of Music will be charged a Non-Music Major Applied Lesson Fee. The fee is \$200 for a half-hour in length lesson and \$400 for a one-hour in length lesson.

## **Student Evaluations**

Student evaluations are now distributed online. During the online availability, please remind students to complete the evaluations. They are read by the Dean and Division Heads and are used for merit and promotion consideration.

## **Use of University-Owned Instruments**

### *Methods Class Use*

Students may use a UofL-owned instrument for a methods class at no additional cost with the provision that the instrument is signed out to the student for temporary use and, while so provided, the student is responsible for its return in reasonably the same condition. Missing instruments or repairs beyond reasonable expectation shall be assessed directly to the student's university financial obligation account for the stated value of the instrument or cost of repair, as required.

### *Ensemble or Secondary Applied Music Use*

Students requesting to use a UofL-owned instrument for elective ensemble participation or secondary applied music study may have use of an instrument provided that such an instrument is available and not required for use in a methods class. Instruments provided must be checked out for each semester of use, with a financial hold placed on any student's account for the stated value of the instrument when the instrument is not returned or renewed for any semester. Students are responsible for securing safe storage and conditions for the instrument and will be further responsible for replacement of the instrument if lost, stolen, or damaged at replacement cost as noted in the instrument sign-out process.

### *Use for Degree-Required Applied Music Study*

Students requesting to use a UofL-owned instrument for required applied music study for their respective degree program may have use of an instrument tied to a set fee schedule based on the replacement value of the instrument. If available, and recommended for use by the applied music teacher, instruments may be checked out for each semester of use, with a financial hold placed on any student's account for the stated value of the instrument when the instrument is not returned or renewed for any semester. Students are responsible for securing safe storage and conditions for the instrument and will be further responsible for maintaining the instrument in playing condition while in his or her possession. Students shall be further responsible for costs up to replacement/repair of the instrument if lost, stolen, or damaged up to the replacement cost as noted in the instrument sign-out process.

Effective Fall 2015, usage fees for degree-required applied music study will be assessed beginning with the student's second semester of applied study.

Replacement Value Fee schedule:

Value less than \$1,000: \$50 per semester

Value up to \$2,000: \$100 per semester

Value up to \$3,000: \$150 per semester

Value up to \$4,000: \$175 per semester

Value up to \$5,000: \$200 per semester

Value of more than \$5,000 to \$9,999: \$300 per semester

Students required to study a secondary instrument as part of his or her applied music study may request at no cost the use of a UofL-owned instrument for secondary instrument study as part of studio instruction or as recommended/required by the studio teacher if the requested instrument is available. Students are responsible for securing safe storage and conditions for the instrument and will be further responsible for maintaining the instrument in playing condition while in his or her possession. Students shall be further responsible for costs up to replacement/repair of the instrument if lost, stolen, or damaged as noted in the instrument sign-out process.

## **Discrimination Policy**

It is the policy of the University of Louisville to maintain the campus as a place of work and study for faculty, staff, and students free of any discrimination in the education environment.

## **Sexual Harassment Policy**

Statement provided by PEACC: "The University of Louisville strives to maintain the campus free of all forms of illegal discrimination as a place of work and study for faculty, staff, and students. Sexual harassment is unacceptable and unlawful conduct and will not be tolerated in the workplace and the educational environment. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment, even when carried out through computers or other electronic communications systems.

Students and Instructors are protected from Sexual Harassment according to the Affirmative Action policy, the Student Code of Conduct, and the UofL Computer Account Usage Agreement. Anyone experiencing Sexual Harassment should refer to the links found in the University of Louisville Undergraduate Catalog and/or contact the PEACC Program at 502-852-2663 and an advocate will explain your choices. This is a free and confidential service.

Anyone who would like to receive more information or provide training to a classroom can contact a PEACC representative at 502-852-2663 and may use the educational modules provided by the PEACC Program. Also, feel free to include a personal message to the students, such as the example below:

I believe that everyone should be able to participate in my class without the fear of sexual harassment, and I am committed to the university's policy. Additionally, certain behaviors are inappropriate even if they do not meet the technical criteria for harassment. Be respectful to each other."

## **Title IX/Clery Act Notification**

Sexual misconduct (including sexual harassment, sexual assault, and any other nonconsensual behavior of a sexual nature) and sex discrimination violate University policies. Students experiencing such behavior may obtain confidential support from the PEACC Program (852-2663), Counseling Center (852-6585), and Campus Health Services (852-6479). To report sexual misconduct or sex discrimination, contact the Dean of Students (852-5787) or University of Louisville Police (852-6111).

Disclosure to University faculty or instructors of sexual misconduct, domestic violence, dating violence, or sex discrimination occurring on campus, in a University-sponsored program, or involving a campus visitor or University student or employee (whether current

or former) is not confidential under Title IX. Faculty and instructors must forward such reports, including names and circumstances, to the University's Title IX officer.

For more information, see the Sexual Misconduct Resource Guide: <http://louisville.edu/hr/employeerelations/sexual-misconduct-brochure>.

### **Academic Dishonest and Plagiarism**

Academic dishonesty is prohibited at the University of Louisville. A faculty member should consult Section 5: Academic Dishonesty of the *Code of Student Rights and Responsibilities* found in the catalog. Before disciplinary action is taken, the faculty member should bring the problem to the attention of the Department Head and Associate Dean. Copies of all materials related to the issue will be placed in the student's file.

## **II. UNIVERSITY AND SCHOOL OF MUSIC ACADEMIC STANDARDS AND POLICIES**

### **Undergraduate Admissions**

Every prospective School of Music student must successfully audition and submit the following before a formal admission recommendation is made:

1. a completed application for admission to the University, including the \$25 application fee;
2. a completed School of Music Scholarship Application (optional);
3. official high school/college transcript;
4. scores from the American College Testing (ACT) Program (required for all full-time applicants who have earned fewer than 24 acceptable semester credit hours in a college or university);
5. Test of English as a Foreign Language (TOEFL) - If English is not your native language, you must verify your English proficiency by submitting official, satisfactory scores (550 or higher for paper-based test, 213 or higher for computer-based test, or 79-80 on the internet-based test) or by successful completion of the Intensive English as a Second Language (IESL) program at the University of Louisville; and
6. names and contact information of two references, at least one of whom must be a music professional who has taught or directed the student (private teacher, high school teacher, ensemble director, etc.); the other may be another music professional or a high school teacher of a different subject.

All recommendations are pending the student's meeting minimum admission requirements of the School of Music (2.75 GPA and 21 ACT).

Faculty must not guarantee admission to any student nor make a promise of scholarship. Before approving a student's audition, the faculty member must examine the entire student file, including transcripts, letters of recommendation, etc.

### **Graduate Admissions**

The minimum requirement for admission to a Master of Music degree program is a Bachelor of Music degree or its equivalent in the area to be pursued in advanced study. Students lacking the appropriate degree may be required to do remedial work before acceptance is guaranteed.

#### *Graduate School Probation*

All students admitted with a point standing below 2.75 will be considered "on probation." This means that if they do not receive a "B" average (3.0 GPA) for their first semester, they may be subject to dismissal.

No applicant with a grade-point average of less than 2.5 will be admitted to graduate study. Under unusual circumstances, exceptions to this policy may be made upon specific recommendation and documented justification for admission by the Department Chair or graduate program advisor. Such justification must be provided in writing to the Dean of SIGS, who must approve or deny the recommendation.

### **International Students**

Students from foreign countries must meet three criteria before they can be granted admission:

1. They must meet the regular admissions standards as applied to all successful applicants;
2. They must show proficiency in English by a) scoring 213 or higher on the computer-based TOEFL examination, 550 or higher on the paper-based test, or 79-80 or higher on the Internet-based test, or by b) successful completion of the exit examination for the advanced level of the Intensive English as a Second Language Program at the University of Louisville, or by c) documentation of the award of a degree from a recognized English language institution; and
3. They must present evidence of financial resources adequate to support their educational and living expenses in the United States for the duration of their studies. The award of a University Fellowship or Graduate Assistantship is considered evidence of adequate financial resources.

### *Test of Spoken English*

Students whose native language is not an American or British Dialect of English may not be awarded teaching assistantships unless they present an acceptable score on the Test of Spoken English (TSE) or a locally administered teaching competency demonstration.

### **Catalog Year**

Students pursuing an undergraduate degree shall meet the degree requirements in effect at the time of their first admission to any degree-granting unit of the University provided they have not had a break in enrollment of two or more calendar years. If a student has a break in enrollment of two or more calendar years, that student must apply for readmission to an enrollment unit and, if admitted, will be subject to catalog requirements in effect at the time of readmission. Students may elect to follow the most recent degree or program requirements established subsequent to their initial entry into a degree-granting unit.

The University reserves the right to issue and require immediate compliance with new requirements as may be needed to respond to certification, licensure, and accreditation issues. Individual units may have different catalog year requirements which supersede those indicated here. Students should consult the catalog section for their specific enrollment unit.

### **Academic Standards Policy**

The University of Louisville communicates its expectations for undergraduate academic achievement through the Undergraduate Academic Standards Policy. Academic standards are determined by the faculties of the enrollment/degree-granting units.

Applicable standards for continuation in a particular enrollment unit can be based upon grade point average, course specific achievement, and in some programs a professional/behavioral component. Students are encouraged to consult their enrollment unit and the catalog for the specific standards of their unit.

### **University Grade Point Average**

The University of Louisville calculates a University Grade Point Average which becomes the standard measure of performance and the official university calculation upon which academic decisions are made. The University Grade Point Average is determined at the undergraduate level, based upon all undergraduate course work taken at the University of Louisville. Courses numbered below the 100-level (000-099) taken in the 1998 Fall semester or after will not be used in the earned hours or University Grade Point Average calculation.

## **Enrollment Standards**

Enrollment units may establish grade point average standards that exceed the minimum grade point average requirements of the University. School of Music undergraduate students are in good standing when they have a minimum cumulative grade point average of 2.5. Graduate students require a grade point average of 3.0 to be in good standing. Should an undergraduate student fail to meet the requirements of their enrollment units, they may be subject to enrollment restrictions, course repetition requirements, other corrective interventions, and ultimately, dismissal from their enrollment unit. A student who is dismissed from their enrollment unit may seek immediate transfer to an enrollment unit for which their cumulative grade point average is acceptable.

## **Academic Standards for Undergraduates**

Good standing is defined as a cumulative grade point average not less than the minimum GPA set by the degree-granting unit. School of Music undergraduate students are in good standing when they have a minimum cumulative grade point average of 2.5. Graduate students must have a 3.0 grade point average.

1. School of Music undergraduate students who, after the first 12 degree-applicable semester hours taken at UofL, have a grade point average below 2.5 will be placed on Academic Warning. They will be notified that their achievement is below expectations and be strongly encouraged to seek assistance, but no limitation will be placed on their registration for the next term.
2. In any semester subsequent to that described above, an undergraduate student whose cumulative grade point average falls below 2.5 will be placed on Academic Probation for the next semester in which the student enrolls. Undergraduate students on Academic Probation are notified that their achievement is below expectations and are subject to course and/or credit hour limitations, and they are limited to 14 semester hours while they remain on probation, specified course registration requirements, and other intrusive advising interventions as deemed appropriate by their enrollment unit.
3. School of Music undergraduate students on Academic Probation will have their records evaluated at the end of the probationary semester with one of the following outcomes:
  - a. a student will be restored to good standing in the School of Music.
  - b. a student whose cumulative grade point average is still below 2.5, but who earned a semester grade point average at or above 2.5, will be maintained on probation.
  - c. a student whose cumulative grade point average is below 2.5 and who earned a semester grade point average below

- 2.5 may petition for continuation on probation. The petition describing the student's plan of action to return to good standing must be submitted to the Associate Dean of the School of Music.
- d. a student whose cumulative grade point average is still below 2.5 and who earned a semester grade point average below 2.5 will be placed on Academic Suspension and will be required to sit out at least one semester (summer terms excluded).
  - e. UofL students who are suspended or dismissed by the School of Music unit are eligible to apply for admission to another unit and may be admitted if they meet minimum admission standards of that unit. Students who apply for admission to another unit may not enroll in any School of Music courses.
4. Readmission of suspended students is not guaranteed. In order to be considered for readmission, a student must submit a written petition to the Associate Dean of the School of Music and an "Application for Undergraduate Admission" form to the Office of Admissions. The petition must be received by the School of Music at least one month prior to the first day of classes for the semester in which the student seeks readmission. The petition should address the student's perception of the causes of poor performance, the steps the student has taken to address those causes, and a plan of action to return to good standing. Students who are granted reinstatement will be readmitted on probation.
  5. No student will be reinstated more than twice; the third suspension is an Academic Dismissal. A student academically dismissed can only return through special permission from the faculty of the School of Music.

#### **Academic Standards for Students Admitted as "Conditional Admit"**

School of Music students who are conditionally admitted enter the university on Academic Warning and are limited during their first semester to a 14 hour credit load. Their admission letter will indicate whether they have one or two semesters to achieve academic good standing. A one semester conditional period will require students to achieve no less than a 2.5 cumulative GPA by the end of the first semester, or they will be suspended from the School of Music. A two semester conditional period will require students to achieve no less than a 2.5 cumulative GPA at the end of the first semester, or they will be placed on Academic Probation. If they do not achieve academic good standing by the end of the first year (i.e. end of the second semester) they will be suspended from the School of Music.

## **Graduate Academic Standards**

In order to be in good standing, graduate students must have a cumulative 3.0 grade point average. A student must be in good standing in order to graduate. No more than six (6) hours with any "C" or "C+" grade will be accepted toward a degree, and no grade below a "B-" will be accepted for a course in the student's major subject area. A student whose cumulative grade point average falls below 3.0, or who fails to satisfy the published performance criteria, will be placed on probation. Students are ordinarily not permitted to continue on probation for more than one semester. Graduate Admission Holds are placed on a student's academic record by SIGS until they complete the following items:

- Submission of GRE scores,
- Submission of final undergraduate transcript,
- Receive "P" in MUS 400 and MUS 500.

## **Undergraduate Dean's List**

A student who completes in one semester twelve or more graded credits with the grades "A", "B", or "C" and a 3.5 semester grade-point average, with no grades of "I," "X," or "U," is named to the Dean's List. The grade "P" has no effect on the determination for Dean's List. A student who meets either of these standards in one semester will be awarded the appropriate honor through ordinary clerical procedures in the Office of the Dean.

## **Advising and Registration**

All School of Music undergraduate students are advised by the academic counselor (graduate students by the Director of Graduate Studies) who assists with registration, monitors progress in courses required for their major, and reviews progress made toward completion of Upper Division course prerequisites.

Advising is required for all music students until they have completed all prerequisites for Upper Division courses. (See Upper Division statement in the School of Music unit section and in the music degrees outlined in the undergraduate catalog.) Students will be blocked from registration for classes until the advising requirement has been satisfied. Registration periods can be found online at: <http://louisville.edu/registrar/registration-information>.

### *Continued registration after non-payment of tuition*

Students who have not settled tuition bills by the withdrawal deadline shall be left on the course rosters and shall be allowed to complete the work of the term and will receive a grade for each course in which they are enrolled. Until their bills are paid, however, their access to registration (including registration for subsequent terms) and transcript services will be blocked. Students with unpaid bills who have applied to graduate in the unpaid term will be dropped from the graduation list and will have to reapply for graduation in a later term.

**NOTE:** This change affects only midterm cancellations. Registrations unpaid before the start of a term will still be cancelled as before.

### **Course Schedule Changes**

If you must drop or add a course, you first should meet with your advisor and the instructor of the course.

### **Transfer Grade Acceptance**

The University of Louisville recognizes appropriate course work done at other accredited universities and colleges and accepts that work according to the principles set forth in the American Association of Collegiate Registrars and Admissions Officers Transfer Credit Practices and state law.

Transfer work that is college-level, academic in nature, and earned at appropriately accredited institutions will be accepted and posted as credit earned (i.e., with no grade) and will be accepted as credit towards a degree, consistent with policies in effect for resident students. An undergraduate student is required to complete 30 of his/her last 36 semester hours at UofL for any degree of 120 credit hours. Additionally, if the degree is more than 120 credit hours, the university policy states that 25% of the total degree credit hours must be completed at the University of Louisville. A graduate student must complete 24 credit hours at UofL.

The School of Music does not accept undergraduate transfer grades below a “C” (“B” for graduate degrees). No credit is transferred for applied music or theory. Advanced standing for applied music may be awarded at a jury. Advanced standing for theory is awarded by examination. Music history credits are evaluated for transfer by the Music History faculty. Recital Attendance credits may be transferred. Principal ensemble credits may be transferred, but not to exceed one per semester. Those with Recital Attendance transfer credits, or documented ensemble experiences or courses, will be evaluated on an individual basis by the Dean’s Office.

### **Undergraduate Transfer Equivalency Determination**

Transfer equivalencies are determined by the instructional unit or the “best fit” unit as determined by the Admissions Office in consultation with the Office of the University Provost.

Courses that meet general education requirements may be transferred under course equivalencies established in the Office of Transfer Articulation. In cases where no equivalency is established, the Office of Transfer Articulation will direct students to the university academic department, school, or college where similar courses are offered for evaluation of transfer credits.

When a transcript from an accredited institution records credit granted for 'non-traditional' education experiences (including but not limited to credit by exam, correspondence work, dual credit high school work, portfolio work), the credit will generally be accepted in transfer regardless of the hours of credit the student earned at the transferring institution(s).

No limit is placed on the number of hours students can earn from prior learning assessment. Prior learning assessment includes but is not limited to credit by exam, correspondence work, dual credit high school work, and portfolio work. The academic unit will decide how and whether the credit applies to graduation, unit, program, and residency requirements.

### **Advanced Standing Credit**

Advanced standing credit in any applied music subject (piano, voice, organ, guitar, band, or orchestral instruments) or in music theory will be granted only by examination, and then only after the student has satisfactorily pursued advanced work in that subject for one semester.

### **Community College Transfer Limits Policy**

For bachelor's degrees, students must present at least sixty (60) semester credit hours earned at four-year institutions. Students must also meet residency requirements.

### **Cardinal Core (General Education) Program**

Beginning in summer 2018, all students will be required to meet the requirements of the Cardinal Core program. Students who matriculated to the university before summer 2018 should consult with their advisors about the transition from the previous general education program to Cardinal Core.

The Cardinal Core program at the University of Louisville prepares students to do the advanced work needed for their baccalaureate degrees and prepares them to contribute to society throughout their lives through their professional work and civic engagement. The program emphasizes the development of key intellectual skills relevant to any career path: **critical thinking, quantitative reasoning, effective communication, and the understanding of historical, social, and cultural diversity**. Students will develop skills and acquire knowledge in the following content areas of Arts and Humanities, Historical Perspectives, Oral Communication, Quantitative Reasoning, Social and Behavioral Sciences, Natural Sciences, Written Communication, and the competency area of Diversity in the United States and Globally. Upon completion of the program, students will be prepared to analyze complex problems and evaluate possible courses of action in an environment characterized by diversity and the need for sustainable solutions.

### *Cardinal Core Requirements (Effective Summer 2018)*

Students should demonstrate proficiency (through course work or external credit) in the three skills areas (Written Communication, Oral Communication, and Quantitative Reasoning) before completing the first 30 degree-applicable credit hours earned at UofL. Within 60 hours, the student should have completed 21 hours of Cardinal Core courses.

The Cardinal Core program requires a minimum of 31 credit hours from approved course categories as outlined below. Students must complete a minimum of 12 hours in the Skills courses, a minimum of 19 hours in the Disciplinary Perspectives courses, and within the 31 hours students must accumulate 6 hours in Diversity credit. Academic advisors can guide students in the selection of courses. All School of Music undergraduate students are required to take PAS 214 and ANTH 205. Music education majors must also take EDTP 201.

### **Course Loads**

The minimum load for full-time undergraduate students during fall and spring semesters is 12 credit hours per semester. Students will be allowed to enroll for a maximum of 18 credit hours per semester. A student who has completed a minimum of 30 hours at UofL and maintained a cumulative grade point average of at least 3.0 may petition the Associate Dean for an overload not to exceed 20 credit hours per semester. A petition will be required for each semester of overload request. A student on probation is limited to a maximum of 14 credit hours per semester and a student admitted in conditional status to a maximum of 14 credit hours. No overloads will be approved while a student remains in such status. Summer session enrollments will be limited to a maximum of 4 credit hours for three weeks terms and 7 credit hours for five week terms. A student may receive credit only for courses for which he/she has officially registered and only for the number of hours specified for such courses in the catalog.

### **Pass-Fail Courses**

Any School of Music undergraduate student who has achieved Upper Division status and who is in good standing may take one elective course each semester outside the major field on a pass-fail basis. Forms may be obtained in the Dean's Office. Any course which is taken to fulfill the University's General Education requirements or any "MUS" course to fulfill a degree requirement may not be taken on a pass-fail basis.

## **Repetition of Courses**

Students are allowed to repeat a course only once, with the most recent grade counting for grade point average calculation and towards degree requirements. Students are advised to weigh carefully the tradeoff between 1) possibly improving their academic standing by repeating a course and earning a higher grade, and 2) the investment of time and money in repeating courses.

Students may petition to repeat a course more than once through a process determined by each academic unit.

Although all grades are displayed on the official transcript, repeated courses cannot receive double credit in hours required for the degree and count only once toward graduation.

Students may only receive federal and state financial aid funds one time for retaking previously passed coursework. Students should speak with a financial aid advisor about the impact on financial aid before making the decision to repeat a course that was previously passed.

## **Incomplete Course Work**

Students unable to complete course work because of conditions beyond their control may be granted the grade “I”, which stands for Incomplete, so that the work can be completed after the end of the semester. Such conditions include hospitalizations, death in immediate family, and prolonged sickness. The grade “I” may not be used solely to extend the available time in a semester for students who fall behind for reasons under their control.

The grade “I” may be assigned at the discretion of the course instructor if all of the following conditions are met:

- The majority of the course work was completed prior to the end of the semester.
- The student is in good standing to pass the course upon successful completion of the remaining work.
- The final portion of the course work could not be completed for reasons beyond the student’s control.

If requested to do so, the student must supply the instructor with documentation of the extenuating circumstances. The instructor is encouraged to provide to the student a written statement of the expectations and requirements for completing the course work.

Students must complete the course work no later than the last day of classes for the next regular fall or spring semester. If the work is completed by the deadline, the instructor submits a change of grade from “I” to the letter grade earned. The change of grade form must be submitted by the instructor to the registrar’s office by the last day to submit grades for the semester when the student’s completed

coursework was due. Failure of the student to complete the work by the deadline will result in an automatic change of grade from “I” to “F” unless the dean’s office grants an extension.

Students may not graduate with an “I” grade on the transcript. Students with an incomplete should not register again for the course. An “I” carries no quality points until it is changed to a letter grade.

### **Independent Study**

Students may, with permission of the instructor, Department Chair, and the Dean, register for Independent Study in a particular area. The student must have a grade point average of 3.0 and at least 30 credit hours earned. Independent Study consists of a project conducted under the direction of a faculty member. Independent Study should not duplicate courses that are regularly offered. Students obtain forms for Independent Study from the School of Music Academic Counselor, to whom the completed forms with required signatures and a course syllabus must be returned at the time of registration **or no later than the Friday before classes begin**. Credits earned through Independent Study are counted in the regular load.

### **Upper Division Assessment**

All undergraduate students enrolled in a music degree program will be reviewed at the approximate midpoint of the selected program in order for students to achieve Upper Division status. Students must meet the standards of this review to register for 400-level courses in music. Both the elements and standards of the review are established by the faculty and include credit for MUS 242 Theory IV or Analysis (MUS 347 for B.A. General; MUS 349 for B.A. Jazz Studies; MUS 350 for B.A. Music & New Media); MUS 361-01 Music Literature; 4 semesters of Applied Instrument at the course numbers required for the degree; Piano Proficiency Examination; MUS 97 Recital Attendance, with “S” for 4 semesters; Ensemble Participation; cumulative 2.5 GPA (good standing); minimum of 48 credit hours completed towards the degree; pass English 101 or 105; and 3 additional Cardinal Core courses.

Additional specific elements and standards appropriate to specific degree programs in jazz studies, music composition, music education, music history, instrumental and vocal performance, pedagogy, music theory, and music therapy are required of students in order to achieve Upper Division status and to continue in the degree program. Specific degree requirements are determined by the concentration and area faculties and are outlined in the *Music Student Handbook* below.

### *Jazz Barrier Exam*

All Bachelor of Music in Jazz Performance students must complete the Jazz Barrier Exam by the end of their fourth semester of applied study. The exam contains an extensive combination of scales, chords, patterns/phrase sections, and improvising over a selected list of common progressions and standard jazz repertoire. There will be numerous opportunities each semester to demonstrate this knowledge, including two Jazz Barrier Exam dates, juries, and events such as Jazz Combo and Jazz Area performances. Please refer to the instrument specific guidelines.

### *Music Education*

In order to enroll in upper division coursework, music education degree students must meet the following criteria:

1. Be admitted to teacher education.
2. Successful interview for admission to teacher education.
3. Successful review of coursework to this point as indicated below.
4. No grade lower than a "C" for the first three semesters of applied study.

Admission to the teacher education program is competitive, and decisions will be made by the professional judgment of the faculty screening committee. Preference will be given to applicants who have strong academic records, positive experiences and abilities, and disposition that shows promise of a successful classroom teacher.

#### Admission to Teacher Education:

- Minimum 45 credit hours (completed or in progress at the time of application) with minimum 2.75 cumulative college grade point average
- Grade of "C+" or higher in MUS 116
- Successful completion of an additional two credit hours of Music Education courses
- Passing PPST PRAXIS I scores in Math, Writing, Reading
- "C" or better in ENGL 102
- "C" or better in Oral Communication course (such as COMM 111 or 115)
- Professional statement (as directed in application for admission to teacher education)
- Three letters of recommendation (as directed in application)
- Successful interview
- Agreement to Professional Code of Ethics, Statement of Understanding of Admission Guidelines, and CEHD Acceptable Use of Technology forms (as directed in application)

### *Music Therapy Barrier Exam*

Each student must create a repertoire list of at least 20 songs chosen from a provided list to use at the assessment. There must be at least 2 songs from each genre. Students will be asked to

sing and accompany four songs of his/her choice, two using piano and two using guitar and may be asked to sing and accompany additional songs selected by the faculty. Students may use music, but should know the music well enough the s/he does not need to focus on the music and can make eye contact while singing and playing. Students should know and sing several verses of many of the songs. Students may be asked to apply one of the songs to a clinical situation/population.

### *Performance and Piano Pedagogy*

For the Sophomore Evaluation Applied Examination, each student must perform eleven minutes of music consisting of a minimum of three pieces of varying styles. If the length of the selected works will not allow three pieces to be heard within the allotted time, the student should consult with the applied teacher to select appropriate cuts or stopping points. If a composition has an accompaniment, it must be performed with accompaniment. At least one of the pieces on the jury must be with accompaniment (with the exception of keyboard instruments, guitar, and harp). Piano performance majors must have passed the Piano Proficiency Exam before they perform the Sophomore Evaluation.

Some applied areas may require students to be prepared to talk about the music they present, including information about the composer, stylistic period, form, etc. Further details will be provided in faculty syllabi.

### *Composition, Music History, Music Theory*

No additional requirements beyond satisfying the requirements of course work for admission to Upper Division as stated in the Undergraduate Catalog.

### **Final Examinations**

It is a School of Music policy that no student may be required to take more than two final examinations, including juries in the major applied area, within a 24-hour period. Students facing such conflicts should inform one or more of their instructors of the situation as early in the semester as possible. Students have a right to expect that their instructors will accommodate them by scheduling a makeup examination in one of the courses. In the event of difficulty in making such arrangements, students should consult the Associate Dean of the School of Music.

If a student fails to show for a class final exam, the student will receive a grade of “F” for the exam. It will be up to the instructor to decide whether the student will also receive a grade of “F” for the final grade, or whether the “F” exam grade will be included with the other grades for the semester. **The instructor’s policy for this must be clearly indicated on the syllabus.**

## Excused Absences Policy

The university has an Excused Absences policy that allows students to be absent from class when they participate in university-sanctioned events or activities, the definition of which is as follows: "A university sanctioned event or activity shall be one in which a student represents the university to external constituencies in academic or extra-curricular activities. These include but are not limited to student government congresses, intercollegiate athletic and debate contests, music competitions, academic meetings, and conferences..." Please refer to <http://louisville.edu/provost/policies/classroom/classroom-policies/#excusedabsences>.

Faculty will provide opportunities for students to make up work they miss as a result of university excused absences. Students who provide documentation of participation in university-sanctioned events should not be penalized.

## Grading System and Quality Points

At the end of each semester instructors report the grades of each student to the Registrar for permanent record. The "+/-" grading system may be used to help students understand their performance more accurately. Grades and their corresponding quality points are:

Grade	Quality Points
A+	4.0
A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0
C-	1.7
D+	1.3
D	1.0
D-	0.7
F (Failure)	0.0
S (Satisfactory)	0.0
U (Unsatisfactory)	0.0
I (Incomplete)	0.0
W (Withdrawn)	0.0

No work below a "C" (not a "C-") will apply toward a major area subject ("B-" for graduate students). Students in a music therapy program will also require a "C" grade (not a "C-") in order to pass supportive area courses as well. Graduate students may not earn more than 6 credit hours with a "C" or "C+" grade. The grades of "S" and "U" may be received in applied music and class piano. When such a grade is received in a course, no hours, credit, or quality points are received, and the course must be repeated.

### *Internal Reporting of “F” Grades*

To meet federal requirements for aid management and to avoid the university’s increased liability for the return of federal aid monies, the online grading process will now request additional information whenever a grade of “F” is entered on the grade sheet. In the new process, the instructor will be asked to select “EF” (earned failure – student completed the course but did not pass), “UF” (unearned failure – student stopped attending; this entry will also request the date of last participation), or “NP” (never participated – student never attended the class). The transcript and online grade reports will show only the grade of “F,” regardless of the qualified mark entered by the instructor.

### *Grade Status Change*

Audited courses do not earn credit. The transcript will indicate that the course was taken as audit. Audit status is offered only on a space available basis. For that reason, students may not register for a class in an audit status during early registration, nor may a student change from a graded status to an audit status during that period. Students may register for classes in audit status during regular registration and then only with written approval of the instructor of the course. Students are allowed to change from audit to graded status or from graded status to audit status at any time from the beginning of regular registration through the last day to add a class so long as they have approval from the course instructor.

Students are advised that such approval is the instructor’s prerogative and that audit status may have implications for financial aid eligibility. Any change of status must be submitted on the form provided in the Schedule of Courses. Forms must be turned in to the Registrar’s Office by the required date. A course taken for audit may be repeated for credit.

### *Posting of Grades*

The public posting of student grades is strictly limited by FERPA and university policy, as stated in UofL’s Guidelines to Protect the Privacy of Student Records at the University of Louisville: “POSTING OF GRADES”. The public posting of grades by the student’s name, social security number, student ID number, or any other identifier that would make it possible to discern confidential student information is a violation of FERPA.

Please note this provision covers interim and exam grades as well as final marks for the term. The Blackboard course management system provides a secure and confidential means of notifying students of their grades on individual assignments as well as for the term.

## **Academic Grievance Procedures**

The School of Music follows the procedures for academic grievance in accordance with The Redbook, Chapter 6, Section 6.8.3. Any student who considers filing such a grievance may consult with the Student Academic Grievance Officer for further information or review the procedure outlined in the general information section of this catalog.

## **Withdrawal Procedures and Policies**

The last day to withdraw from any course is in the Academic Calendar found online at <http://louisville.edu/calendars/academic/undergrad-grad.html>. Upon proper documentation of special circumstances, decisions for approval of late complete withdrawals may be made by submitting a Petition Form to the Director of Undergraduate Studies. Late withdrawals are those requested after the deadline to withdraw has passed and before the instructor has assigned a grade. After a grade has been assigned, the instructional unit has the authority to change the grade to a withdrawal. Please note, petitions are considered only during the Fall and Spring semesters.

## **Compassionate Withdrawal**

Students may request and be considered for a compassionate withdrawal when extraordinary circumstances prevent students from continuing in classes or completing academic requirements. If students are gravely incapacitated, the request may come from the student's spouse, family, or legal surrogate. The office of the Dean of Students will gather necessary documentation to show that the situation is incapacitating. Such situations cover both physical and mental health issues, serious illness or injury, and extraordinary personal reasons. The Office of the Dean of Students will review and evaluate the compassionate withdrawal request and take follow up action to refer the case to the appropriate officer (e.g., unit dean) for review and decision.

The Office of the Dean of Students will coordinate the process with the unit dean's designee. An academic withdrawal does not remove a student's financial responsibility for his/her educational expenses. Students are responsible for payment of any outstanding charges including, but not limited to tuition, fees, parking, housing, and other expenses, after the academic withdrawal is granted. The Office of the Dean of Students will assist with the identification and completion of all necessary business processes.

## **Academic Forgiveness**

Academic Forgiveness allows currently enrolled students or students who are eligible to re-enroll without seeking readmission to request the adjustment of their records for one or more continuous entire semesters of previous college work. If the appropriate committee within the students' enrollment unit or the unit in which

they seek to re-enroll finds there are extenuating circumstances that warrant such action, the committee may rule the students eligible for academic forgiveness. The committee will approve petitions only if future academic success seems plausible, with the expectation that such forgiveness should typically have a positive effect on persistence toward eventual graduation.

Forgiveness will only be applied to the record after the successful completion of at least 12 hours after the last term for which forgiveness is to be requested. The 12 hours should be in degree applicable courses with the necessary semester grade point average designated by their enrollment unit. After these 12 hours have been attempted, students may petition the appropriate committee for academic forgiveness, designating the semester or consecutive sequence of semesters to which the forgiveness process is to apply. If approved, all course grades and credit hours for the forgiven semesters will be voided. Students may not be granted academic forgiveness more than once.

The voided grades and credit hours will not be considered for degree requirements or quality-point computations, but will remain on the students' transcript. Academic actions, such as probation or dismissal, recorded at the end of the voided terms, will also remain. While forgiven course grades are removed from the calculation, the course work does remain a part of the students' permanent record and the forgiven work may be considered for financial aid, NCAA purposes, and may be evaluated if applying for honors or graduate study.

Academic forgiveness is an internal policy. The University of Louisville cannot guarantee how the work will be viewed by another university should students choose to transfer. Students considering this option are strongly encouraged to consult with their academic advisor for guidance.

### **Academic Fresh Start Policy**

Students who are re-admitted to the university after an absence of two or more years may apply for a Fresh Start. Students must take at least 30 hours of coursework at the University after readmission and before graduation for Fresh Start to be applicable. Students are eligible for only one Fresh Start. Students who have earned a baccalaureate degree from the University are not eligible for Fresh Start.

If the Fresh Start is approved by the university, students resume an academic program with no cumulative grade point average from the prior enrollment. All courses taken remain on the permanent record. Courses with passing grades are counted for credit and may be used to satisfy program requirements.

Students may be required to retake courses from academic terms covered by Fresh Start if the content-currency or major-GPA rules of a degree program, department or unit so dictate. Students will be notified at the time of readmission of any additional requirements to be fulfilled in remedying these conditions.

Although Fresh Start affects cumulative grade point average, it has no impact on earned and attempted hours. All courses taken at the university will still be used for financial aid. Financial aid recipients will still have to adhere to the Satisfactory Academic Progress (SAP) policy administered by the Student Financial Aid Office. Students who are granted a Fresh Start are not automatically cleared of any SAP issues. If interested in submitting a SAP appeal, students should contact the Student Financial Aid Office.

Courses taken under the repeat-to-replace option during the period covered by a Fresh Start will not be counted against the maximum repeats allowed under university policy. Financial aid for repeat courses is calculated according to federal regulations.

For the purposes of scholastic action and advising, students are initially assigned to the same academic standing as when they last attended the university. Thereafter, students are subject to the conditions of probation, suspension and dismissal that govern all students. GPA calculations for graduation honors follow the rules established by the students' enrollment unit.

## **Degree Requirements**

### *Minimum Hours/Point Standing*

To be recommended for a degree, the student must have completed the prescribed number of hours in the courses taken and must have a 2.5 cumulative grade point average for undergraduates and 3.0 cumulative grade point average for graduates.

### *Residency*

For bachelor's degrees, thirty (30) of the last thirty-six (36) semester credit hours must be completed at the University of Louisville. Additionally, if the degree is more than 120 credit hours, the university policy states that 25% of the total degree credit hours must be completed at the University of Louisville. Transfer students must also complete a minimum of 12 credit hours in their major at the University of Louisville. Within the University, Schools and Colleges may set minimum credit hour requirements to be completed after formal acceptance into the School, College, or Department. Graduate students must take at least 24 hours of course work at the University of Louisville to satisfy the residency requirement for the masters degree.

### *Application for Graduation*

Candidates must apply for graduation at the beginning of the semester in which they expect to complete all degree requirements.

The date is published for each semester in the Academic Calendar found online at <http://louisville.edu/calendars/academic/undergrad-grad.html>. The degree application is done online at [ulink.louisville.edu](http://ulink.louisville.edu). The Dean's Office will conduct a degree audit following receipt of the forms; however, students are strongly urged to request a preliminary degree audit prior to their final semester so that any deficiencies in degree requirements can be identified early. To be recommended for a degree, the student must have completed the prescribed number of hours in the courses taken and must have a minimum 2.5 cumulative grade point average for undergraduates and 3.0 cumulative grade point average for graduates.

*Graduation with College Honors*

Undergraduate degree candidates may receive their degree with honors, high honors, or highest honors assuming they have met the following minimum grade point average upon completion of their final semester.

Degree with Honors	3.5
Degree with High Honors	3.75
Degree with Highest Honors	3.9

*Double Degrees*

Current undergraduate students requesting to be considered for double music degrees must apply in writing and be accepted for the double degree by both degree programs. An applied audition may be required. If the audition takes place at a jury, the student must make a written request to the applied area as well. The letter should be given to the Academic Advisor prior to the start of juries.

**III. MUSIC REQUIREMENTS**

**Attendance at Classes and Lessons**

Students are expected to attend all classes and lessons. Attendance requirements will be stated in the syllabus. The catalogue requires that all faculty keep an attendance record for all classes and lessons. This information may be requested in cases of student complaints about grading.

Private lessons missed for any cause other than illness may not be made up. Lessons missed because of illness may be made up provided the instructor is given due notice. Excessive absences should be reported to the Office of the Dean.

**Pink Slips/Tutortrac**

In lieu of a Pink Slip, go to Tutortrac: [reach1.louisville.edu](http://reach1.louisville.edu) and fill in the reasons for the warning. Notice will go to the student and Michelle Williams who will follow up with the student. Please use this for students with multiple absences or if their grade average is below a "C". NOTE: This should initially be sent prior to the official drop date of classes.

## **Electives**

Music electives in any Bachelor of Music degree should be chosen from courses in Music History, Music Theory/Composition, Music Education, Music Literature, Music Pedagogy, Music Therapy, Jazz, a secondary applied area, or a non-required ensemble. Courses beyond the degree requirement in the student's major applied area or in the required major ensemble(s) are not appropriate. For the Bachelor of Arts degree, in addition to the electives listed for the Bachelor of Music, applied music courses beyond the required four semesters are acceptable as music electives. MUH courses will not be accepted as music electives. School of Music students may count up to two one-hour Physical Education courses toward the general elective requirement.

## **Applied Music**

All full-time students pursuing a professional degree in music (with the exception of Music Therapy and Composition majors) will receive a one-hour private lesson per week in their major applied music subject, regardless of the number of credit hours allowed for the course. Please see catalog degree descriptions. Students enrolled in the B.A. degree program will receive a minimum of a half-hour lesson per week in applied music for four semesters. In general, applied music courses require one hour of daily practice for each hour of credit.

### *Applied Music Teacher Assignment*

Each entering student will be assigned to an applied music instructor. If the student prefers to choose his/her own teacher, every effort will be made to accommodate those students. If, for any reason a student desires to change applied music teacher, the student's request will be considered by the Concentration Coordinator in consultation with the Department Chair. In the event that the Concentration Coordinator is the student's current applied teacher, the Department Chair will appoint another faculty member from the concentration to consider the request.

### *Applied Grading*

Undergraduate music students who fail to receive a grade between "A+" and "C-" for applied study must repeat that level. Graduate music students who fail to receive a grade between "A+" and "B-" for applied study must repeat that level. If a grade in the aforementioned appropriate range is not received at the end of the next semester's study, the student will not be allowed to continue study in the School of Music. Exceptions to this rule must be by written notice of faculty action. If a student fails to show for their applied jury at the end of a semester, the student's jury grade will be an "F." The student's final grade for the semester will also be an "F."

### *Final Applied Grade*

The applied instructor may set their own grading policy for the applied lesson, but the weight of the jury grade should be no less than 30% and no more than 50% of the student's final grade. Criteria for the applied lesson grade during the semester of the recital will be determined by the applied instructor and state on the syllabus.

Faculty will be provided with "Applied Lesson Report Sheets" to record weekly applied lesson grades. The weekly grades can be averaged to achieve the semester grade. Report sheets should be saved in case a student questions their final applied grade.

Faculty may grade their own students on all applied exams, including the sophomore evaluation examination.

### *Applied Juries*

Students requesting credit for applied music study, with the exception of Functional Study, shall be examined by a committee of the faculty at the end of each grading period. The means of assessment for Functional Study will be determined by the applied faculty member and clearly indicated in the syllabus. A required recital of a minimum of thirty minutes of music may take the place of the jury at the end of the semester in which the recital is given.

**Jury Comment Sheets remain a permanent part of a student's academic file.** They should be returned to the Dean's Office with the exam Jury Sheets. They will be copied and returned to the faculty member in order to share with students. Literature presented for examination may not be repeated in whole or in part at a subsequent examination. An exception may occur in areas that require a self-prepared work on the jury. In such cases, a self-prepared work presented at a jury may be repeated on a second jury if the work has been studied in detail at a later date with the teacher.

For the sophomore evaluation applied examination (students registered for MUS 202, 204, 206, 212, 214), each student must perform eleven minutes of music consisting of a minimum of three pieces of varying styles. If the length of the selected works will not allow three pieces to be heard within the allotted time, the student should consult with the applied teacher to select appropriate cuts or stopping points. If a composition has an accompaniment, it must be performed with accompaniment. At least one of the pieces on the jury must be with accompaniment (with the exception of keyboard instruments, guitar, and harp).

### *Transfer of Applied Credits*

As stated elsewhere in this *Handbook*, the School of Music of the University of Louisville does not accept credits in applied music that have been earned at other institutions. At the end of the first semester in residence, however, a student may petition for advanced standing.

### *Attendance at Area Meetings*

Attendance is required at all Area Meetings for students in the area. These are usually not weekly events, but held a few announced times during the semester. Non-area meeting weeks are reserved for studio master classes during that time.

### *Public Performance*

Students are encouraged to be active in public performance and should consult their applied teacher in preparing for their performances.

### *Student Performance Requirement*

Undergraduate students taking applied lessons for 2 or 4 credit hours must perform at least once per semester in a public forum after receiving credit for their first semester of applied study. Such performances may be of the following types: convocation, area recital, major opera role, full or half solo recital, solo performance with a major ensemble, or other performance sanctioned in advance by the student's instructor. Each performance must be included on the Repertory Record Form submitted at the applied exam.

### **Soloist Opportunities**

Students who appear as soloists with the University of Louisville Symphony Orchestra must participate in the Concerto or Aria Competitions. The competitions, which are held on the fifth Friday of the fall semester, are open to any full or part-time students working toward a degree. The application to compete, which is available in the Dean's Office, must be signed by the applied music teacher and submitted to the Dean's Office by the date stated on the application.

When a student is chosen to appear as soloist with the University of Louisville Symphony Orchestra, the student must perform the music offered at the audition. The work must be prepared in its entirety for the audition, but memorization is not a requirement for the audition or the performance. The student must provide an accompanist.

### **Accompanists**

Students who have paid the Music Student Fee or the Non-Major Applied Lesson Fee have access to a maximum of four services (maximum of one hour/service) each semester with a piano accompanist subsidized by the School of Music. The four services consist of the applied examination and any combination of three services, including rehearsals, lessons, master classes, convocations (general or area), or the UofL Concerto Competition. The services may be divided between major/principal and secondary applied study, as long as the student does not exceed a total of four services per semester (not four services per instrument). Students auditing applied study may also take advantage of the accompanying

services, provided they have paid the semester's Music Student Fee. In a semester where a degree or non-degree student recital replaces the applied examination, the student may substitute another service for the applied examination.

Unused services may not be carried over to another semester. For any services that an accompanist provides beyond the four (4) subsidized services, as well as fees for recitals, the accompanist will make payment arrangements directly with the student. A student must provide the accompanist with twenty-four (24) hour advance notice to cancel a lesson, rehearsal, or performance. Failure to do so will mean that the student will forfeit the service; however, the accompanist will still be paid. The student will be responsible for payment to the accompanist for any make-up service.

### **Participation in Ensembles**

The following are the guidelines by which undergraduate music students participate in ensembles:

1. All full-time undergraduate music majors are required to participate each semester in the principal ensemble designated for their primary instrument:
  - Strings: Symphony Orchestra
  - Woodwind, brass, or percussion: Symphonic Band, Concert Band, Wind Ensemble, Wind Symphony, Marching Band, Community Band\*
  - Voice: Collegiate Chorale, University Chorus\*
  - Keyboard/Guitar: Any of the above dependent upon qualifications and/or interests.
  - Jazz: Jazz Ensemble, Jazz Lab, Jazz Repertory Ensemble, Vocal Jazz Ensemble\*

*\* Specific ensemble assignment is dependent on the result of the ensemble audition.*

**Note:** The principal ensemble is the only ensemble that can fulfill the ensemble requirement for each degree program.

Full-time students who fail to register for a major ensemble each semester will be in violation of the catalog and subject to academic action. A student who fails to register for the appropriate ensemble during a semester will be placed on immediate Academic Warning. If the student has failed to resolve the ensemble registration by the end of the semester, the student will be placed on Academic Probation. **A student who fails to register for the appropriate ensemble in a second consecutive semester will, if the ensemble has not been added by the end of the first week of classes, be placed on immediate Academic Suspension.**

2. For all part-time students, participation in a principal ensemble must keep pace with the number of hours accumulated. For each 15 hours completed, at least one credit hour must be in ensemble.
3. Full-time non-degree (special) students must participate in an appropriate principal ensemble. Part-time non-degree students are not required to do so.
4. Music Therapy equivalency students holding a degree in music, or with a bachelor's degree in a different field, but whose transcripts indicate that they have taken eight (8) ensembles, are not required to take an ensemble.
5. Under no circumstances will participation in amateur, semiprofessional, or professional organizations outside the University be substituted for the University requirement.
6. After achieving Upper Division status, the student may petition to have a different major ensemble substituted for the designated principal ensemble. The petition must be made prior to the ensemble auditions for the semester during which the substitution will take place. Petitions for Fall semester substitutions will be due by April 21st of the preceding semester. Petitions for Spring semester substitutions will be due by October 21st of the preceding semester. The petition will be considered by the Ensemble Director's Committee, and the student will be notified of the committee's decision prior to ensemble auditions. The committee will consider the following criteria, among others:
  - a. Student's degree program
  - b. Needs of the ensembles

**Note:** Substitution for principal ensembles is considered an exception to the guidelines for ensemble participation. Petitions must be submitted for each semester of substitution.

7. Wind/brass/percussion principals enrolled in the Bachelor of Music (Pre-Certification-Instrumental) or Bachelor in Music in Music Education degree programs are required to fulfill two years of ensemble performance in the Marching Band. Entering students will be expected to fulfill this requirement during the freshman and sophomore years. Transfer students will be required to fulfill a minimum of one year. A second year may be required based upon evaluation of the transcript. Woodwind, brass, or percussion principals are also recommended to complete one semester of a major jazz ensemble.

## **Recital Attendance Requirements**

All undergraduate music students must enroll in and complete six semesters of MUS 97 Recital Attendance. To receive the grade of "Satisfactory" for this required non-credit course, each undergraduate student must attend a minimum of twelve (12) convocations or recitals for each of the six enrollments in MUS 97. Students are encouraged to attend concerts over and above the twelve required events, both on and off campus.

The grade will be determined as follows:

- Attend 12 or more = S (Satisfactory)
- Attend 9-11 = I (Incomplete)
- Attend less than 9 = U (Unsatisfactory)

The grade of "I" (Incomplete) must be made up the following semester by attending double the number of recitals/concerts missed to attain the grade of "S". If the Incomplete is not made up the following semester, the Incomplete will lapse to the grade of "U" and the entire semester of Recital Attendance must be repeated to earn the required credit. No petitions will be considered.

Designated recitals and concerts include the following:

- Thursday convocations - students may count a maximum of seven (7) Thursday convocations per semester toward their Recital Attendance requirement.
- Faculty recitals
- Senior or Master's recitals
- School of Music concerts given by the school's major ensembles (Symphony Orchestra, Symphonic Band, Early Music Ensemble, Opera Theater, Collegiate Chorale, New Music Ensemble, Jazz or Jazz Repertory Ensemble, Vocal Jazz Ensemble, Concert Band, Wind Symphony, Wind Ensemble, University Chorus)
- A maximum of four concerts given by the school's minor ensembles (Piano/String/Woodwind/Brass Chamber Ensembles, Jazz Combo, Clarinet/Flute/Guitar/Harp/Horn/Irish Music/Percussion/Historical Brass/Saxophone/TECHLA/Trombone/Trumpet/Tuba-Euphonium Ensembles, Community Band, Opera Workshop)
- Student composer concerts
- One musicale per semester sponsored by Delta Omicron
- One musicale per semester sponsored by Phi Mu Alpha
- Guest artist recitals
- New Music Festival

A minimum of two (2) and maximum of four (4) of the twelve (12) required recital attendance credits must be attained by attending live, professional concerts outside those presented exclusively by UofL faculty and students. These attendance credits may come from any of the following: Louisville Orchestra, Kentucky Opera, Louisville Ballet, Chamber Music Society of Louisville, Choral Arts Society, Kentucky Center Chamber Players, Hattie Bishop Speed Endowed Series, Ceruti Chamber Players, the Louisville Jazz Society, and all concerts for which the student music fee provides student tickets.

Students are also encouraged to attend other live professional concerts, including those outside the Louisville area, and performances given in conjunction with professional conferences such as ACDA, KMEA, CBDNA, CODA, and MTOUL. The instructor of record for MUS 97 may approve credit for such concerts upon written request by the student or a faculty member.

In order to receive credit for these concerts, a student must submit a ticket stub (except in the case of a free concert) and program to the Instructor of Record for MUS 97. The student's name and ID number must be clearly written on the ticket stub and program submitted, and the ticket stub and program must be submitted within one week of the performance date.

Students may not receive recital attendance credit for convocations or other performances in which they participate as a performer.

### **Public Recitals**

School of Music students may schedule recitals any day when the recital halls are free and the building is open, provided they have the approval of their instructor and the necessary signatures of appropriate faculty for grading when applicable. Recital Guidelines are available at <http://louisville.edu/music/resources/current-students/recital-form-packets>. Beginning Fall 2018, MUS 397, 497, and 697 will be graded for Credit or No-credit.

### **Scholarships**

Students in the School of Music who receive scholarships, performance awards, or work grants are expected to be among the most productive and visible students in the School of Music. They are expected to promote high standards of performance, excellence in academic studies, and be highly visible students in performing ensembles.

### *General Criteria*

A minimum of a 3.0 semester GPA in music courses, a cumulative university GPA of 2.5, and full-time student status (12 earned credit hours) in a music major is required of all students to maintain an undergraduate music scholarship. If a student changes the applied area or degree emphasis, the student must re-audition for

scholarship consideration. Scholarship students will be expected to enroll for applied lessons on their principal instrument at the principal or major level (ie. the 101, 103, 105, 111, or 113 sequence) for a minimum of 2 credit hours during each semester that they hold a music scholarship.

Scholarship students will also be expected to enroll in the principal ensemble for their instrument during each semester they hold a music scholarship. Music Education majors will be exempt from the applied lesson and ensemble requirement during the student teaching semester. Awards will be cancelled for or during a semester if the student withdraws from classes or drops below full-time status (12 credit hours), and the student will be required to repay that money to the University.

### *Annual Review*

Students receiving a music scholarship will be reviewed at the end of each semester. The review will include recommendations from the applied, ensemble, music theory, music history, and major area faculty as applicable to the individual student degree plan. Data based on progress toward the degree, musical progress, and general academic performance will be considered. Adjustments to scholarship awards may be made based on this joint review and recommendation. Any students with Incomplete grades will have their scholarship put on hold until the Incompletes are removed and the GPA recalculated. **PLEASE NOTE: If scholarship funds have already been disbursed and your scholarship is reduced or revoked, a balance will be generated and you will be responsible for paying that money back to the University of Louisville.** Violations of either the University of Louisville *Code of Student Conduct* or the *Code of Students Rights and Responsibilities* may result in either the reduction or loss of a scholarship.

### *Probationary Status/Revocation of Scholarship Awards*

Undergraduate students not meeting the “General Criteria”, including resolution of course incompletes in any semester, but maintaining a semester GPA in music of at least 2.75, a cumulative university GPA of at least 2.5, and earn 12 credit hours are subject to a one-semester probationary period that includes a reduction of 20% of the award. Students not meeting the “General Criteria” for two consecutive semesters shall have their scholarship revoked. Once a scholarship is revoked, any future scholarship consideration will be based on a new audition and a review by the Scholarship Committee and the Dean.

### *Undergraduate Scholarships for Current Students*

Current students who are pursuing a music major at the University of Louisville may request consideration for a new music performance scholarship or an increase in their current award by submitting a petition to the Scholarship Committee.

Students should submit a petition to the Scholarship Committee **no later than November 1 in a fall semester or April 1 in a spring semester**. The petition should include a letter of request from the student and a letter of support from the student's applied teacher. Both letters should be submitted together to the Admissions Counselor.

Scholarship decisions will be made during the first week of June for fall awards and the first week of January for spring awards. Students will be notified of petition decisions by mail.

School of Music scholarships are not the only aid available to you. The University of Louisville offers several scholarships for students regardless of major and is committed to making college affordable for its students. More than 50% of UofL students receive financial aid in the form of scholarships, grants, loans, and/or work-study programs. For more information, deadlines, and to request application materials, call UofL Financial Aid at 852-5511, or visit the UofL Scholarship web site.

#### *Graduate Scholarships*

Current students who are pursuing a graduate degree in music may request consideration for a new graduate performance scholarship, service award, teaching assistantship, or fellowship or request an increase in their current award by submitting a petition to the Scholarship Committee. In order to be eligible for a financial award, a student must meet the following criteria:

- minimum 3.0 semester and cumulative GPA,
- enrolled full-time (9 or more credit hours) in graduate music courses.

Students should submit a petition to the Scholarship Committee **no later than November 1st in a fall semester or April 1st in a spring semester**. The petition should include a letter of request from the student and a letter of support from the student's applied teacher or faculty mentor. Both letters should be submitted together to the Admissions Counselor.

Scholarship decisions will be made during the first week of June for fall awards and the first week of January for spring awards. Students will be notified of petition decisions by mail.

The Graduate School offers additional awards for graduate students including assistantships and scholarships for Ethnic Minority Graduate Students and Graduate Student Assistant positions outside of the School of Music. Please refer to their website for more detailed information about these awards or email [graduate@louisville.edu](mailto:graduate@louisville.edu) with questions.

### *Acceptance of Financial Aid from the School of Music at UofL*

The School of Music is a member of the National Association of Schools of Music (NASM) and observes the Association's Code of Ethics. With regard to offers of financial aid, the School of Music has adopted the following statement that governs the offering and acceptance of financial aid:

**In accepting this offer of financial aid from the University of Louisville School of Music, I understand that there is a mutual commitment on the part of myself and the institution. Therefore, I agree that after May 1 of the calendar year of matriculation into an undergraduate-level program, or after April 15 of the calendar year of matriculation into a graduate-level program, I will not consider any offer from an institutional member of NASM for the academic year 2018-2019 except with the express written consent of the music executive of the University of Louisville.**

In addition, the University of Louisville operates under the following institutional guidelines as a whole:

**This award can be combined with institutional aid up to the University's total direct cost of attendance plus a stipend. Direct costs include tuition, room, board, and books. The University of Louisville is required to adhere to all federal, state, and institutional guidelines. If your aid package is adjusted as a result, you will receive notification in your University email. Policy information is available online at [http://louisville.edu/financial\\_aid](http://louisville.edu/financial_aid).**

### **Protecting Your Vocal and Neuromusculoskeletal Health**

*Adapted from recommendations by the National Association of Schools of Music (NASM) and Performing Arts Medicine Association (PAMA)*

#### *Protecting your vocal health*

- Vocal health is important for all musicians and essential to lifelong success for singers.
- Understanding basic care of the voice is essential for musicians who speak, sing, and rehearse or teach others.
- Practicing, rehearsing, and performing music is physically demanding and musicians are susceptible to numerous vocal disorders.
- Many vocal disorders and conditions are preventable and/or treatable.
- Sufficient warm-up time is important. Begin warming up mid-range and then slowly work outward to vocal pitch extremes.
- Proper alignment, adequate breath support, and correct physical technique are essential.
- Regular breaks during practice and rehearsal are vital in order to prevent undue physical or vocal stress and strain.
- It is important to set a reasonable limit on the amount of time that you will practice in a day.

- Avoid sudden increases in practice times.
- Know your voice and its limits and avoid overdoing it or misusing it.
- Maintain healthy habits. Safeguard your physical and mental health.
- Drink plenty of water in order to keep your vocal folds adequately lubricated. Limit your use of alcohol and avoid smoking.
- Day-to-day decisions can impact your vocal health, both now and in the future. Since vocal strain and a myriad of other injuries can occur in and out of school, you also need to learn more and take care of your own vocal health on a daily basis. Avoid shouting, screaming, or other strenuous vocal use.
- If you are concerned about your personal vocal health, talk with a medical professional.
- If you are concerned about your vocal health in relationship to your program of study, consult the appropriate contact person at your institution.

### *Protecting Your Neuromusculoskeletal Health*

- Neuromusculoskeletal health is essential to your lifelong success as a musician.
- Practicing and performing music is physically demanding and musicians are susceptible to numerous neuromusculoskeletal disorders.
- Some musculoskeletal disorders are related to behavior, others are genetic, still others are the result of trauma or injury. Some genetic conditions can increase a person's risk of developing certain behavior-related neuromusculoskeletal disorders.
- Many neuromusculoskeletal disorders and conditions are preventable and/or treatable.
- Sufficient physical and musical warm-up time is important.
- Good posture and correct physical technique are essential.
- Regular breaks during practice and rehearsal are vital in order to prevent undue physical stress and strain.
- It is important to set a reasonable limit on the amount of time that you will practice in a day.
- Avoid sudden increases in practice times.
- Know your body and its limits, and avoid "overdoing it."
- Maintain healthy habits. Safeguard your physical and mental health.
- Day-to-day decisions can impact your neuromusculoskeletal health, both now and in the future. Since muscle and joint strains and a myriad of other injuries can occur in and out of school, you also need to learn more and take care of your own neuromusculoskeletal health on a daily basis, particularly with regard to your performing medium and area of specialization.
- If you are concerned about your personal neuromusculoskeletal health, talk with a medical professional.

- If you are concerned about your neuromusculoskeletal health in relationship to your program of study, consult the appropriate contact person at your institution.

## **Protecting Your Hearing Health**

### *NASM-PAMA Student Information on Noise-Induced Hearing Loss*

- Hearing health is essential to your lifelong success as a musician.
- Your hearing can be permanently damaged by loud sounds, including music. Technically, this is called Noise-Induced Hearing Loss (NIHL). Such danger is constant.
- Noise-induced hearing loss is generally preventable. You must avoid overexposure to loud sounds, especially for long periods of time.
- The closer you are to the source of a loud sound, the greater the risk of damage to your hearing mechanisms.
- Sounds over 85 dB (your typical vacuum cleaner) in intensity pose the greatest risk to your hearing.
- Risk of hearing loss is based on a combination of sound or loudness intensity and duration.
- Recommended maximum daily exposure times (NIOSH) to sounds at or above 85 dB are as follows:
  - 85 dB (vacuum cleaner, MP3 player at 1/3 volume) - 8 hours
  - 90 dB (blender, hair dryer) - 2 hours
  - 94 dB (MP3 player at 1/2 volume) - 1 hour
  - 100 dB (MP3 player at full volume, lawn mower) - 15 minutes
  - 110 dB (rock concert, power tools) - 2 minutes
  - 120 dB (jet planes at take-off) - without ear protection, sound damage is almost immediate
- Certain behaviors (controlling volume levels in practice and rehearsal, avoiding noisy environments, turning down the volume) reduce your risk of hearing loss. Be mindful of those MP3 earbuds. See chart above.
- The use of earplugs and earmuffs helps to protect your hearing health.
- Day-to-day decisions can impact your hearing health, both now and in the future. Since sound exposure occurs in and out of school, you also need to learn more and take care of your own hearing health on a daily, even hourly basis.
- It is important to follow basic hearing health guidelines.
- It is also important to study this issue and learn more.
- If you are concerned about your personal hearing health, talk with a medical professional.
- If you are concerned about your hearing health in relationship to your program of study, consult the appropriate contact person at your institution.

## **IV. SCHOOL OF MUSIC BUILDING POLICIES**

### **Bad Weather Schedule**

At times during the winter, bad weather may force a change in class schedules. Schedules for delayed class schedules can be found online at [louisville.edu](http://louisville.edu).

### **Building Hours**

During Fall and Spring semesters, the Music Building will be open the following hours (subject to change during holidays, breaks, and final exams):

Monday-Friday	7am - 10pm
Saturday	9am - 6pm
Sunday	1 - 10pm

DAILY CARDINAL CARD ACCESS IS PERMITTED FOR ALL MUSIC MAJORS UNTIL MIDNIGHT. Music majors are permitted to remain in the building until 2:00 AM and may enter the facility through the South Wing entrance, only until midnight. During this time, please do not open the doors for anyone to enter with your card. Everyone who needs access should receive their own card. Please make sure the doors close behind you to keep everyone safe.

Cardinal Card access for new students is programmed during the first few weeks of the semester. All returning students automatically retain access once the semester begins (nothing is needed). An email will be sent out as soon as new student programming is complete. If you have any problems after that email is received, please notify Angela Keene in Room 150B. During holidays, the School of Music will have card access only, as doors will remain locked.

Once you receive your Cardinal Card (or receive a new one after a loss/theft), please notify Angela Keene, Room 150B, to have the card entered into the system for use. During holidays, the School of Music will have card access only as the doors will remain locked.

During normal building hours, a student building guard will be available each evening and on weekends to provide information, assist with equipment, and to be available for emergency situations. In the event of an emergency and the building guard cannot be located, please notify the University Department of Public Safety at 852-6111.

## **Building Regulations**

### *Student Lounge*

A student lounge is located on the first floor of the South Building. It is the only area where eating and drinking are permitted. Please help keep the lounge clean and presentable for others by disposing of your refuse when you leave. This area is maintained for your use and comfort.

### *Smoking*

The University of Louisville is a smoke-free campus. Please help keep the area around the School of Music building clean by disposing of materials in proper containers and refrain from smoking on university grounds. People who choose to smoke on sidewalks along city streets must be at least 50 feet from entrances to university buildings. For more information, please visit [louisville.edu/smokefree](http://louisville.edu/smokefree).

### *Eating and Drinking*

Eating and drinking are not permitted in classrooms, rehearsal halls, practice rooms, performance halls, or hallways. Please confine this activity to the Student Lounge.

### *Bulletin Boards and TV Monitors*

Bulletin boards and TV monitors are located in many areas around the Music Building. Several of the bulletin boards are designed for specific area or departmental notices. Learn where notices for your area will be posted. This will allow you to communicate most effectively with day-to-day changes in your department. **Notices MUST NOT be posted on walls, glass, windows, elevators, doorways, painted or wood surfaces.** The monitors are located in the main lobby and the vending area. Not only do they post current and upcoming events, they allow for viewing of recitals outside the recital halls.

## **Dwight D. Anderson Memorial Music Library**

Founded in 1947, the mission of the Library is to support the curricular and research needs of School of Music students and faculty, as well as the needs of music-related studies throughout the University. The Library is housed on three floors of the School of Music building and is the largest facility of its type in the state. The library is staffed by 2 full-time music librarians and 3 full-time support staff. The Music Library's collection includes over 170,000 volumes of books, periodicals, and printed music and over 25,000 recordings and videos. In addition, the library subscribes to a large number of electronic resources, including online journals and streaming audio databases. Among the special collections housed in the Library are archival materials related to music in Kentucky, the Isidore Philipp Archive, the UofL Concert and Recital Collection, and all materials related to the Grawemeyer Award for Music Composition. A collection of eighteenth and early nineteenth-

century prints and manuscripts owned by the Ricasoli family of Tuscany is also housed in the library's archives. An extensive listening area is located in the library along with computers to access online resources. Library materials can be checked out by all UofL students, faculty, and staff. The Cardinal Card serves as a library card. During regular Fall and Spring terms, the library is open 68 hours per week: Monday-Thursday: 8:00am-8:00pm, Friday: 8:00am-5:00pm, Saturday: Noon-5:00pm, Sunday: 1:00pm-7:00pm. (Schedule subject to change during holidays, breaks, and final exams.)

### **Lockers**

Lockers are available in various locations in the Music Building for a fee of \$5 per academic year. Cardinal Cash is the only acceptable form of payment for this fee. Only locks supplied by the School of Music are permitted. Any other lock will be removed without notice and contents discarded. By April 30, all lockers must either be renewed for the next academic year, or cleaned out, and lock returned. For all your locker rental and renewal needs, please see Angela Keene, Facilities Coordinator (Room 150B).

### **Practice Rooms**

Open practice rooms in the School of Music are available on a first-come, first-served basis for use by students at UofL who are enrolled as music majors or for non-majors who are enrolled in applied music courses. Open practice rooms do not require a key; those rooms are: 168, 169, 171, 172, 173, 175, 176, 180, 181, 182, 183, 184, 185, 186, 190, 191, 271, 272, 273, 275, 276, 277, 279, 280, 284, 285, 286, 287, 288, 289, 290, 294, & 295.

Piano, percussion, drumset, harp, and organ rooms require a key. Storage of the following instruments also requires a key: tuba, euphonium, double bass, reed making, and string methods. Each key checked out requires a \$20 deposit for the academic year. Cardinal Cash is the only acceptable form of payment for the deposit. All keys are required to be returned at the end of the academic year by the posted due date (typically the last day of exams). Students who fail to return the keys by the posted dates will forfeit their deposits and will have a hold placed on their account until the key is returned. Lost keys will result in the forfeit of the deposit and will require another deposit to obtain another key. For safety and security reasons, personal items must not be left in practice rooms. To make arrangements for practice or storage room keys, please see Angela Keene, Facilities Coordinator (Room 150B).

### **Recital Hall Usage**

Students may contact the Building Manager to request recital rehearsal space not more than five days in advance and only for one hour at a time. **Final decision concerning priority rests with the Dean's Office.**

## **Security System**

The University of Louisville Department of Public Safety has installed an electronic alarm system for safety and security which will summon immediate aid should you become physically disabled or feel threatened by an intruder or assailant while you are in the building. Emergency push button stations are installed in practice rooms, dance studios, and women's restrooms throughout the building.

Students and faculty should be aware of individuals in the Music Building who are unknown, who appear not to be students, or who have no business in the building. Do not approach them; instead report their presence immediately to the Dean's Office or, if appropriate, notify the Public Safety Office (852-6111).

**NOTE: Teaching in the Music Building is strictly prohibited except under the auspices of the Community Music Program or collegiate programs of the School of Music.**

## NOTES
