ACTIVATE YOUR ACCOUNT

Welcome to the University of Louisville!

Before you log in to any of UofL's online services, you will need to activate your UofL account.

1. Go to louisville.edu/userid and get your user ID using your Social Security Number (SSN) and your date of birth. Write your user ID and 7-digit student ID down or copy/paste them into a document so you can grab it for the next steps.
2. Go to [ULink](http://louisville.edu/ulink), our student portal, at louisville.edu/ulink.
3. Put in your user ID you got in step 1 in the user ID box.
4. Next will be your password. Your default password will be the following:
5. First 2 letters of your first name (lower case)
+
First 2 letters of your last name (lower case)
+
an exclamation point (!)
+
the last 4 digits of your numerical student ID

Example: John Smith, with a numerical ID of 123456, has a default password of josm!3456. We know, it's a little weird, but it's set up this way to protect you from identity theft and other mischief.

6. Click submit. If it's successful, you will receive a "Password expired" message. Don't worry, that just means it's time to set up your new UofL password. Follow the link to set up your new password. You will also be able to set up challenge questions, which will allow you to
