

## Research Study (IRB #21.0580)

### Attention: OR Nurses

If you are a perioperative nurse, over the age of 18, speak/understand English, and currently work in an OR setting for a minimum of 20 hours per week, you are invited to take part in a research study.

**Purpose:** To determine if dimensions of the perioperative work environment predict culture of safety and high reliability characteristics.

**Process:** You may participate by clicking (or copy and paste to your browser) on the following web-based link [https://redcap.link/periop\\_nurse\\_survey](https://redcap.link/periop_nurse_survey) OR you may scan the QR code:

### If you have questions, contact:

Imelda Wright, PhD, RN, CNOR

Email: [miwrig01@louisville.edu](mailto:miwrig01@louisville.edu); Cell Phone: (502) 641-6859

Feel free to share this flyer with anyone who meets the criteria and may be interested.
