

REACH – University of Louisville

Computer Tutoring

The **Computer Resource Center (CRC)** in Strickler Hall 331 offers much more than the typical computer lab. There are always **tutors on duty** to assist you with your computing needs.

Drop-in assistance with computer-related issues is available from our friendly staff in this extensive lab. Some of the areas in which our tutors can help are:

- **Microsoft Office:** Word, Excel, and PowerPoint
- **Basic Computer Operations**
- **Programming languages:** C, C++, HTML, JavaScript, Java, and other CIS courses
- **Graphic and Presentation software:** Photoshop, double-layer DVD burning
- **Courseware Applications:** MathXL, MAPLE, SPSS
- **Blackboard**
- **ULink**
- **Netmail**

Students: Don't forget to bring your student ID, or have your ID # memorized, to sign in.

Computer Basics Seminars

REACH is now offering Computer Basics Seminars! [Learn more about these Seminars.](#)

Resources

The REACH CRC has 36 PCs and 4 Macintoshes. The PCs are Dell Pentium IVs with 512 MB RAM, and high resolution flat panel monitors. This facility is split into 3 areas: the main lab, the multimedia lab, and the classroom. Each area is available for faculty and staff to reserve for training sessions and seminars. For more details on CRC resources and information on reserving facilities, go to the [CRC Reservation Schedule](#) page.

The REACH Computer Resource Center utilizes **UnipriNT**. This is the same printing system that is used in the North and South Computer Centers and in Ekstrom Library. You can print as many pages as you wish (no limits) for 10¢ per page. You will need to have money on your Cardinal Card ID in order to print. You can add money at [several locations](#) across campus.
