**RE:** **SACS Reaffirmation Leadership Team**

The University of Louisville is scheduled for reaffirmation of accreditation in 2017 by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS). In preparation for developing and implementing an effective SACS reaffirmation process that will lead to a successful accreditation site visit, we are establishing a Leadership Team that will be charged with oversight of all components of the reaffirmation process. This memo is a request that you serve on the Leadership Team.

Leadership Team meetings began in the fall 2014 semester for the purpose of finalizing the organizational structure, committee assignments and the project timeline. We are confident the university will have a successful outcome with your participation. Please contact Connie Shumake, Assistant Provost and the accreditation liaison ([ccshum01@louisville.edu](mailto:ccshum01@louisville.edu)), to confirm your acceptance or to decline, if you are unable to accept this appointment.

For more information about the accreditation process, you may go to:

Thank you for your continued support of the University of Louisville.
