Re: 2017 SACS Reaffirmation Process

The University of Louisville is scheduled for reaffirmation of accreditation in 2017 by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS). In preparation for developing and implementing an effective SACS reaffirmation process that will lead to a successful accreditation site visit, several committees have been established to address the Principles of Accreditation. I am pleased to appoint you to serve as a member of the Compliance Certification Subcommittee: Faculty.

The co-chairs of the Faculty Subcommittee are Tracy Eells, Vice Provost for Faculty Affairs, and Deborah Keeling, Associate Dean in the College of Arts and Sciences. You will be contacted soon to discuss the Compliance Certification Report that is due in September 2016 and the work of the group. I am confident the university will have a successful outcome with your participation.

Please contact the co-chairs or Connie Shumake, Assistant Provost and the accreditation liaison (ccshum01@louisville.edu) if you have any questions. For more information, go to: <http://louisville.edu/oapa/2017-sacs-reaffirmation-project>

Thank you for your continued support of the University of Louisville.
