Re: 2017 SACS Reaffirmation Process

The University of Louisville is scheduled for reaffirmation of accreditation in 2017 by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS). In preparation for developing and implementing an effective SACS reaffirmation process that will lead to a successful accreditation site visit, several committees have been established to address the Principles of Accreditation. I am pleased to appoint you to serve as a member of the Compliance Certification Subcommittee: Financial Resources Subcommittee.

The co-chairs of the Financial Resources Subcommittee are Jason Tomlinson, Associate Vice President for Finance/Business Affairs and CFO-ULF, and Susan Howarth, Associate Vice President for Finance. You will be contacted soon to discuss the Compliance Certification Report that is due in September 2016 and the work of this group. I am confident the university will have a successful outcome with your participation.

Please contact the co-chairs or Connie Shumake, Assistant Provost and the accreditation liaison ([ccshum01@louisville.edu](mailto:ccshum01@louisville.edu)) if you have any questions. For more information, go to: <http://louisville.edu/oapa/2017-sacs-reaffirmation-project>

Thank you for your continued support of the University of Louisville.
