¹ The MSSW degree program is designed to prepare students for licensure as a Certified Social Worker (CSW) or a Licensed Clinical Social Worker (LCSW) in Kentucky, although the program also meets licensure requirements in selected other states. The optional MSSW concentration in Alcohol and Drug Counseling is designed to prepare students for additional certification as a Kentucky Certified Alcohol and Drug Counselor (CADC). Please see disclosure page for the the Master of Science in Social Work (MSSW) - Online and Face to Face program above for information about MSSW program licensure. Additional disclosures about licensure for this specific concentration are provided above.

¹ The MSSW degree program is designed to prepare students for licensure as a Certified Social Worker (CSW) or a Licensed Clinical Social Worker (LCSW) in Kentucky, although the program also meets licensure requirements in selected other states. The optional MSSW concentration in School Social Work is designed to prepare students for additional certification as a Kentucky School Social Worker. Please see disclosure page for the Master of Science in Social Work (MSSW) - Online and Face to Face program above for information about MSSW program licensure. Additional disclosures about licensure for this specific concentration are provided above.
