Dr. James R. Ramsey
President
University of Louisville
2301 South Third Street
Grawemeyer Hall
Louisville, KY 40292-0001

Dear Dr. Ramsey:

This is written to replace my letter of July 10, 2013, whereby the name of the off-campus instructional site located in Russia was misspelled. This letter modifies the site to be Perm State University in Russia and reads as follows:

The following action regarding your institution was taken at the June 2013 meeting of the Board of Trustees of SACS Commission on Colleges:

The Commission on Colleges reviewed the institution's procedure addressing the timely reporting of substantive changes. No additional report was requested. The institution's procedures for reporting substantive change must continue to address all types of substantive change as defined in Commission policy, "Substantive Change for Accredited Institutions of the Commission on Colleges."

This review was conducted following failure to seek approval of an off-campus instructional site, Perm State University in Russia, offering the Global Master of Business Administration degree program, implemented in June 2010.

We appreciate your continued support of the activities of the Commission on Colleges. If you have questions, please contact the staff member assigned to your institution.

Sincerely,

Belle S. Wheelan, Ph.D.
President
