## PROGRAM OUTCOME

The demand for CPAs, accountants, auditors and financial specialists across all industries is rapidly increasing. Employment of accountants and auditors is expected to grow 11% through 2024, which is 4% faster than the average for all occupations ([bls.gov](https://www.bls.gov)). Globalization of businesses is also leading to more opportunities for accountants in international trade and business.

The online Accounting Certificate from the College of Business at UofL prepares you to take advantage of this progress by preparing you with the accounting expertise and skills you need to build a strong, stable career in the field.
