

Find Your Path in K-12 Education with UofL Online

Whether you want to earn your first teaching certification, move up in rank or step into leadership, UofL Online offers flexible degree programs built for working professionals.

Start Your Teaching Journey

Interdisciplinary Early Childhood Education (MAT)

For professionals seeking initial teacher certification.

Prepare to teach young children in pre-K through kindergarten.

- ▶ Gain the credentials you need to become a teacher.
- ▶ Learn how to construct and adapt instructional methods.

BSOLL: Interdisciplinary Early Childhood Education (Track)

For professionals entering early childhood education.

Build the skills to support young learners in pre-K settings.

- ▶ Earn undergraduate credit for your experience.
- ▶ Move through faster with accelerated coursework.
- ▶ Does not lead to teacher certification

Make a Difference Through Special Education

MAT in Special Education (LBD or MSD)

For professionals entering special education field.

Prepare to teach students with learning or behavioral needs.

- ▶ Leads to MSD or LBD certification.
- ▶ Immerse yourself in the field through comprehensive classroom experiences.

MEd in Special Education (LBD or MSD)

For licensed teachers seeking certification to teach special education in Kentucky.

Work with students with intellectual disabilities that impede learning and behavioral skills.

- ▶ Option to add certification in LBD or MSD.
- ▶ Teachers who have already earned a master's degree may qualify to add a certification and achieve Rank 1.

MEd in Special Education (Applied Behavior Analysis)

For educators and professionals supporting students with intellectual disabilities.

Gain advanced skills to apply evidence-based communication strategies.

- ▶ Aligns with the coursework required for Board-Certified Behavior Analyst certification.
- ▶ Does not lead to teacher certification.

Lead and Counsel

MEd in Teaching and Learning

For certified teachers seeking rank advancement or specialization.

Enhance your teaching practice and curriculum leadership skills.

- ▶ Design and apply educational curriculum that develops students.
- ▶ Lead and advocate for transformative curricular change in education.

MEd in Counseling and Personnel Services (concentration in School Counseling)

For professionals seeking to guide K-12 students toward academic and personal success.

Prepare to become a school counselor and make an impact beyond the classroom.

- ▶ Program degree graduates may be eligible for rank change in Kentucky.
- ▶ Practicum is required for graduation.
