Use ParkMobile for the most contactless parking options across the U.S.

ParkMobile allows employees to forgo printing a daily permit or purchasing the scratchable permit in advance. From the ParkMobile App (Zone 98201) employees can pay for a single day permit without displaying anything in their vehicle.

Valid ParkMobile Permit Locations: Speed School, 3rd Street South, Thrust Theater, Cardinal Blvd *Not valid in visitor or reserve permitted spaces

The front of a single-day scratchable permit resembles a scratch-off lottery ticket; users simply scratch off the day, month and year when the permit will be used. Each single-day permit

UNIVERSITY OF LOUISVILLE

authorizes parking for that specific day in designated areas. Scratch-offs must be displayed from the rearview mirror or on the driver's side of the dashboard in plain sight.

Single-Day printable permits will allow access in designated areas. Users will purchase the permit, print it, and display the printable permit on the driver's side of the dashboard in plain sight. If entering the Floyd Street or 620 HSC Garage(s) the user will scan the QR code at entry and exit.

Frequently Asked Questions (FAQ)
