## **Statement:**

The University of Louisville has established parking system rules and regulations that must be followed when parking a motor vehicle on property owned or controlled by the University:

- [Parking Rules and Regulations](#)

These regulations are subject to change without notice when necessary to facilitate the parking program. When changes or modifications are necessary, an announcement will be made, if possible, in appropriate University publications prior to the effective date of the change.

## **Reasoning:**

Use of a motor vehicle on University of Louisville property is a privilege, not a right, and is made available only under the policies established in the University Parking Rules and Regulations currently in effect.

The purpose of these regulations is to expedite the safe and orderly conduct of University business and to provide parking facilities in support of this function within the limits of available space.

## **Responsibilities:**

It is the responsibility of permit holders to keep their parking account contact information up to date.
