## **Statement:**

- A. Applicants for employment for certain positions will receive a physical examination after an offer of employment has been made. Positions requiring employment physicals are determined by the work requirements of the position.
- B. In some positions, such as those working with animals, an annual physical examination may be required.

## **Responsibilities:**

Examinations will be given at no cost to the applicant by the University Health Science Service or Family Practice Department of the School of Medicine. Appointments for these physical examinations will be arranged by Human Resources Department.
