Statement:

For all regular, full and part-time employees, faculty, classified, and professional/administrative personnel leaving the university, an exit survey was developed to provide an opportunity to share experiences while employed at the University of Louisville and to provide the university with a better understanding of reasons for leaving.

Procedures:

You may complete either the on-line survey or a paper version. Select the survey that applies to your employment status.

The faculty on-line exit survey is located at:
