Statement:

Whether an emergency is weather related, workplace violence, or a fire, appropriate actions must be taken to ensure that administrative procedures are followed to protect the facility.

After a Workplace Injury or Illness

If an individual is injured or becomes ill due to the workplace environment, follow these procedures:

1. Ensure that the individual has received appropriate medical care.

2. Notify the individual's immediate supervisor of the injury/illness and the surrounding events.
3. Ensure that a [Workers' Comp Claim Form](#) is completed documenting the injury or illness as soon as possible.

Damage to your Building

If your building has received damage during an emergency, you should take the following actions:

1. Notify Physical Plant of the damage and the need to repair the facility on an emergency basis.

- Belknap Campus.....502-852-6242
- Shelby Campus.....502-852-5601
- Health Sciences Center Campus.....502-852-5695

(Office hours 8:00 a.m. to 4:30 p.m., after hours call University Police at 502-852-6111)

2. Notify Risk Management at 502-852-6925 of the damage and assist them in recording and documenting the damage. (Office hours 8:00 a.m. to 4:30 p.m., after hours call University Police at 502-852-6111)
