

# Republican Party of Kentucky Internship Program

**Description:** The RPK internship program intends to give students the opportunity to enhance their civic education, provide real world political and campaign experience, and to develop a deeper understanding of Kentucky politics and party organization. Interns will work with RPK staff, county party leaders, elected officials and political candidates on projects related to research, fundraising, communications, data, and more. Applicants must be ready for a demanding, fast-paced, and team-oriented environment.

Internships are available in the Spring, Summer, and Fall. During an election year, exact dates may be subject to change.

Spring: March 15 – May 15

Summer: May 15 – July 15

Fall: September 15 – November 30

An intern during the summer should expect to work at least 20 hours per week.

Depending on availability and location, internships will be offered as a distance opportunity for individuals living further away from Frankfort and in-house internships for those able to travel to our Frankfort headquarters.

**Qualifications:** A successful applicant will have a positive attitude, an ability to meet project deadlines, and possess excellent interpersonal skills. They will also be responsible, detail-oriented, and self-motivated. We encourage students of all academic fields to apply. Individuals who are seeking a college degree are preferred, but opportunities will also be provided for students in High School.
