ARTICLES OF AMENDMENT
TO
CHARTER AND ARTICLES OF INCORPORATION
OF THE
UNIVERSITY OF LOUISVILLE,
A BODY POLITIC AND CORPORATE

Pursuant to the provisions of Chapter 137 of the Acts of the 1845-46 Laws of the Commonwealth of Kentucky, which Act was approved February 7, 1846, and became effective March 15, 1846, the University of Louisville was created as, was therein designated as, and now is, a body politic and corporate in law.

By appropriate action taken in the manner and form provided by law, its Board of Trustees and Officers Amended its Charter effective June 1, 1926, April 23, 1927, June 5, 1931, February 17, 1933, and July 16, 1957.

On June 1, 1926, by a Resolution unanimously adopted by its Board of Trustees at a meeting called and held on that date, the Corporation accepted the provisions of the present Constitution of Kentucky and, on June 1, 1926, filed that acceptance in the Office of the Secretary of State of Kentucky, as required by Section 190 of the Constitution of Kentucky and Section 570 of the Kentucky Statutes.

By reason of the foregoing events, actions, and procedures, University of Louisville became subject to the provisions, and eligible for the benefits, of Kentucky Revised Statutes, Sections 273.161 to 273.940, from and after June 13, 1968, the date upon which said last numbered Sections of Kentucky Revised Statutes became effective.
The House of Representatives of the 1966 General Assembly
of the Commonwealth of Kentucky, by Resolution, requested a study of
the advisability and feasibility of placing the University of Louisville in
the State system of public higher education and, thereafter, obtained a
report recommending, among other things, that such action be taken, and,
consistent therewith, the 1968 General Assembly of the Commonwealth of
Kentucky adopted House Resolution 91 (Chapter 239) and, pursuant to the
foregoing, directed the maintenance of the University of Louisville as a
State institution no later than July 1, 1970.

The 1970 General Assembly of the Commonwealth of Kentucky
adopted Senate Bill No. 117, on March 19, 1970; the Governor of the
Commonwealth of Kentucky approved said Bill on the 30th day of March,
1970, and by its terms it will become effective July 1, 1970.

Senate Bill No. 117 provides that, consistent with the provisions
of KRS 164.026 and Chapter 239 of the 1968 Kentucky Acts, University of
Louisville shall be maintained as a State institution effective July 1, 1970,
subject to its qualification to receive the benefits of such status in the manner
set forth in Subsection (3), of Section 1, of Senate Bill No. 117, wherein it
is provided that the University of Louisville "may qualify to receive the
benefits of its status as a State institution, as provided in this Act, by action
of its Board of Trustees in adopting and causing to be filed for public record
such proceedings as are required by law, amending its charter or articles
of incorporation in such manner as to conform to the provisions of this Act."
These Articles of Amendment to the Charter and Articles of Incorporation of the University of Louisville have been adopted, executed, and will be filed for public record for the purpose of such qualification.

Consistent with the provisions of Chapter 239 of the Acts of the 1968 General Assembly of the Commonwealth of Kentucky, and with the spirit and intent of House Resolution 43 of the 1966 General Assembly of the Commonwealth of Kentucky, and with Senate Bill No. 117 of the 1970 General Assembly of the Commonwealth of Kentucky, and pursuant to the provisions of Kentucky Revised Statutes, Sections 273.261, 273.263, and 273.267, said Corporation and the undersigned, Edwin G. Middleton and Mrs. Carroll L. Witten, who are respectively Chairman and Secretary of the Board of Trustees of said Corporation, and Woodrow M. Strickler who is President of said University, and by and through whom it acts, execute these Articles of Amendment to the Charter and Articles of Incorporation of University of Louisville, as heretofore amended.

Such action of said Chairman and Secretary is taken pursuant to a Resolution of said Board of Trustees, which it duly and regularly adopted at a meeting thereof, properly called and held on the 20th day of May, 1970, in Louisville, Kentucky, at the time and place, and for the purposes, set forth in a written Notice thereof, which was duly and regularly delivered to each member of said Board of Trustees by sending a copy thereof, on the 7th day of May, 1970, to each such person via United States Certified mail, postage prepaid, at each such person's last known address as shown on the books and records of the Secretary of said Corporation.
As provided by Kentucky Revised Statutes; Section 273.263 (2)
the Resolution of said Board of Trustees approving these Articles of
Amendment was duly and regularly adopted at said meeting by the affirmati-
tive vote of a majority of such Trustees in office at said date and has never
been set aside, modified, or vacated, and is still in full force and effect.

ARTICLE I

The name of the Corporation is UNIVERSITY OF LOUISVILLE.

ARTICLE II

Louisville, as heretofore amended, are now amended in the following further

Section 2. The remainder of Sec. 1 of said Charter and Articles of Incorporation, as heretofore amended, and Secs. 2, 3, 8, 9 and 10 thereof are deleted.

ARTICLE III

Section 1. (1) As used herein, the following terms shall have, unless the context shall otherwise indicate, the following meanings:

(b) "Council" means the Council of Public Higher Education in Kentucky.

(2) Consistent with the provisions of KRS 164.025; Chapter 239 of the 1968 Kentucky Acts, and Senate Bill No. 117 of the Acts of the 1970 General Assembly of Kentucky (S. B. 117), the University of Louisville shall be maintained as a State institution effective July 1, 1970.

Kentucky appointed by the Governor; (b) one non-voting member of the teaching faculty of the University of Louisville who shall be the chief executive of the ranking unit of faculty government; and (c) a non-voting student member who shall be the president of the student body; however, if the student body president is not a legal resident of Kentucky, then a member of the student body of the University who is a legal resident of Kentucky shall be elected by the student body for a term of one year under rules prescribed by the board. The faculty member and student body member shall cease to be eligible for membership on the board of trustees upon termination of their respective relationships with the University, and vacancies occurring by reason of such termination shall be filled for the remainder of the respective terms in the same manner. (d) The ten citizen members of the board shall annually elect one of their number to serve as chairman of the board.

(2) To facilitate transition of the University of Louisville to full status as a State institution, terms of members of the board of trustees in office on July 1, 1970 shall be terminated as of that date or as of the date their successors are appointed and qualify, and their successors shall be appointed by the Governor according to the following schedule:

Subject to such requirements, the Governor shall make his appointments from the State at large so as to divide the representation upon the board as nearly equally as possible between the two leading political parties in this State.

(4) Whenever, in the judgment of the State Commissioner of Finance, the total appropriations from the governments of the City of Louisville and Jefferson County shall fall (a) below the level of support existing at the time this Act takes effect, or (b) below twelve percent of the combined total of state and local appropriations to the University for more than one city or county budgetary period, the nominating authority of said mayor and said county judge shall terminate, and the appointments for all trustees, except the one selected from recommendations of the alumni, shall be made directly and exclusively by the
Governor. Such alteration shall not affect the total number of memberships on the board.

Section 3. (1) The board of trustees of the University of Louisville, which, by its present Charter and Articles of Incorporation as heretofore amended, is a body politic and corporate in law, shall continue therewith the usual corporate powers, and shall possess all the authorities, immunities, rights, privileges, and franchises usually attaching to the governing bodies of Kentucky public higher educational institutions, together with those granted such corporations by Kentucky Revised Statutes, Sections 273.161 to 273.990, both inclusive, which shall include the following:

(c) Election of a vice chairman and such other officers as it deems wise, including the annual election of a five-member executive committee which shall have the powers that the board delegates to it and shall operate under such rules as the board shall establish under its authority to make such by-laws, rules and regulations consistent with Senate Bill No. 117.

(d) Receipt, retention and administration on behalf of the university, subject to the conditions attached, all revenues accruing from endowments, appropriations, allotments, grants or bequests, and all types of property.

Section 4. (1) The governing body of said City of Louisville may make an annual appropriation from the general funds of the city, or from funds derived from other sources, for the support of the University of Louisville. Such appropriation shall be such sum as in the judgment of the governing body of the city shall, when supplemented by other income of the state educational institution, be reasonably necessary for such purposes; and the funds so appropriated by the governing body of the city may be paid to the Treasurer of the University by the Director of Finance of the city in regular monthly installments.

(2) The governing body of said City of Louisville may additionally set apart or appropriate as a site or sites for buildings and grounds of such state educational institution any public grounds of the city not specially appropriated or dedicated by ordinance to another use.

Section 5. Consistent with Subsection (11) of Section 67.080 of the Kentucky Revised Statutes, the fiscal court of Jefferson County, Kentucky, may appropriate county funds for the benefit of the University of Louisville.

Section 6. The board of trustees of the University of Louisville may issue revenue bonds of the University for the erection of buildings and appurtenances to be used in connection with the University for educational purposes, and otherwise as provided in Section 162.340 to 162.380 of the Kentucky Revised Statutes, and subject to the provisions of Chapter 56 of the Kentucky Revised Statutes, provided said board of trustees may in its discretion issue such revenue bonds not only for the purposes and in the manner set forth in Section 162.340 to 162.380, but also for the purposes of refinancing any mortgages, mortgage bonds, revenue bonds, notes, or other evidences of indebtedness previously issued or incurred by the University in
