Established in 1985, with over 2,000 open faculty positions posted last year and more than 1,700 diverse candidates, **The REGISTRY** is the premier national database of diverse & strategic faculty sponsored by a major university. **The REGISTRY** is committed to connecting the most diverse and qualified pool of candidates to colleges and universities around the country. The National Registry of Diverse & Strategic Faculty (The REGISTRY) connects institutions of higher education with diverse faculty candidates. Most recently, Texas Tech University, our host institution, was awarded Insight into Diversity's Higher Education Excellence in Diversity (HEED) Top Colleges for Diversity and was named a "Champion of Diversity."

[Learn more](#) about The National Registry of Diverse & Strategic Faculty and our commitment to connecting women and minorities with tenure-track faculty positions in institutions of higher education.
