NOTE: D1 = U.S. Diversity

D2 = Global Diversity

*NOTE: Students may take only one dual content area course (OC, WC, QR, SB, SBH, AH, S, SL, B). Diversity attributes (D1, D2) are not included in this restriction. Taking a dual content course allows a student to meet two Cardinal Core distribution requirements while only earning 4 hours toward the overall Cardinal Core required total of 31 hours. These students will need to take an additional Cardinal Core elective in any category to bring their total overall Cardinal Core course credits up to 31 hours.

EX: If a student enrolls in ANTH 111/MATH 106 (S/QR) s/he will receive distribution requirements for both QR and S, but will only receive 4 credit hours. Thus, even after meeting all distribution requirements, this student will only have earned 29 hours in Cardinal Core courses. S/he will have to choose one more CC course, in any content area, to meet the Cardinal Core credit hour requirement.
