A follow-up regarding the petition for the Global Perspective (P2) designation based on military experience, the student was offered an oral defense before the Perspectives Subcommittee, but neglected to show. They decided to take a course to earn the P2 designation. The subcommittee was tasked with reviewing the P2 designation of the EDPT 202 course proposal and the P1 designation of the EDPT 305 course proposal. They recommended to the committee that both courses be sent back to the department, requesting modifications be reviewed by the subcommittee again.
