

### **Friends of Psychology**

The Friends of Psychology Committee is committed to supporting and publicizing the research, teaching, and service mission of the Department of Psychological and Brain Sciences. We do this by actively encouraging development of scholarships, gifts, and grants to the department to enhance its visibility in the broader community and build support for future initiatives. For more information, please visit [www.louisville.edu/psychology/undergraduate/scholarships](http://www.louisville.edu/psychology/undergraduate/scholarships).

### **Psi Chi**

Psi Chi is the International Honor Society in Psychology, founded in 1929 for the purposes of encouraging, stimulating, and maintaining excellence in scholarship, and advancing the science of psychology. Membership is open to graduate and undergraduate men and women who are making the study of psychology one of their major interests and who meet the minimum qualifications. Psi Chi is a member of the Association of College Honor Societies and is an affiliate of the American Psychological Association (APA) and the Association for Psychological Science (APS).

The Friends of Psychology Committee would like to extend a special thank you to Amanda Cunningham and Maggie Leahy for their assistance in putting this program together.
