EMPLOYMENT

Assistant Professor Aug. 2016-present
Director, Eating Anxiety Treatment (EAT) Laboratory
Department of Psychological and Brain Sciences
University of Louisville, Louisville, KY

Behavioral Wellness Clinic/ Oct. 2017-present
Louisville Center for Eating Disorders
Clinical Director
Licensed Psychologist
912 Lily Creek Road # 201
Louisville, KY 40243

EDUCATION AND TRAINING

Washington University in St. Louis School of Medicine Sep. 2015-July 2016
Department of Psychiatry
T32 Post-doctoral Research Fellow
5T32DA007261-17

University of North Carolina School of Medicine Aug. 2014-Aug. 2015
Department of Psychiatry
Center of Excellence for Eating Disorders
Clinical Psychology Intern

Doctorate of Philosophy (Ph.D.), Clinical Science Received: Aug. 2015
Washington University in St. Louis
Department of Psychology
Dissertation: Manipulation of Negative Social Evaluation Defended: June 2013
Fears on Body Dissatisfaction and Eating Behaviors: Does Proposed: Dec. 2011
Fear of Social Evaluation Lead to Disordered Eating?

Masters of Art (M.A.), Clinical Science Received: Dec. 2010
Washington University in St. Louis
Thesis: Self-Discrepancy and Regulatory Focus Theory:
Acculturation Matters

University of Kentucky, Honors Program Received: Dec. 2007
Psychology, Bachelor of Arts
History, Bachelor of Arts
Piano Performance, minor
Cumulative Grade Point Average: 4.0

PREVIOUS EMPLOYMENT

Behavioral Wellness Clinic
Licensed Psychologist, Health Service Provider
Eating Disorder Therapist and Supervisor
912 Lily Creek Road # 201
Louisville, KY 40243

Jul. 2016-Sep. 2017

GRANTS AND AWARDS-Awarded

University of Louisville EVPRI: Neuro-circuitry Underlying Learning during Exposure Therapy in Individuals with Eating Disorders (funded June 2018-July 2019); \$10,000

- Role: Principal Investigator
- Co-I: Dr. Brendan Depue

University of Louisville Graduate Student Dissertation Award

- \$500 awarded to Irina Vanzhula for her dissertation research project testing an experimental manipulation of general versus eating specific mindfulness on eating behaviors and disordered eating
- Role: Mentor

University of Louisville Intramural Research and Creative Activities Grant

- \$500 awarded to Irina Vanzhula for independent research project testing the efficacy of Eating Awareness Training workshop to reduce disordered eating behaviors
- Role: Mentor

National Science Foundation Graduate Research Fellowship Program (GRFP) 2017 Honorable Mention awarded to Leigh Brosorf for **Does concern over mistakes impair cognitive control leading to food intake: an experimental study?**

- Role: Mentor

National Research Service Award, National Institute of Mental Health, F31-MH096433-01. **Shared Vulnerabilities of Social Anxiety and Eating Disorders.** Awarded with a Priority Score of 20 (19 percentile). Direct Costs: \$125,400; 2011-2014

- Co-Sponsors: Dr. Thomas Rodebaugh, Ph.D. & Dr. Eric Lenze, M.D.
- Consultants: Dr. Denise Wilfley, Ph.D., Dr. Greg Smith, Ph.D., & Dr. Elliot Nelson, M.D.

P.E.O. Scholar Award (Awarded April 2012).

- \$15,000 awarded for “excellence in research, academics, and ability to make a significant contribution to society”

Academy for Eating Disorders Outstanding Scientific Contribution Award (Awarded February 2016)

- Awarded for the manuscript *The Fear of Food Measure: A Novel Measure for Use in Exposure Therapy for Eating Disorders* published in the *International Journal of Eating Disorders*

Academy for Eating Disorders Alex DeVenny Memorial Award (Awarded March 2016)

- \$2,000 awarded for the abstract *Associations between the Core Dimensions of Anorexia Nervosa and Obsessive-Compulsive Disorder: An Examination of Personality and*

Psychological Factors presented at the International Conference on Eating Disorders May 2016

Academy for Eating Disorders Early Career Scholarship (Awarded February 2015).

- \$1,500 awarded to attend the International Conference on Eating Disorders to present research and complete research training in grant writing

American Psychological Association Dissertation Award (Awarded November 2012).

- \$1,000 for dissertation research

American Psychological Association Basic Psychological Science Research Grant (May 2011).

Social Evaluation Fears and Eating Behaviors.

- Awarded Honorable Mention

John A. Stern Research Award (Awarded September 2014).

- \$480 awarded to Leigh C. Brosf for an undergraduate research project
- Role: Research Mentor

Society for a Science of Clinical Psychology (SSCP) Outstanding Student Researcher Award (Awarded October 2014)

GRANTS AND AWARDS- Under Review

NIMH R01: **Impulsivity and ER Neural and Real-Time Markers of ADHD and ED Comorbidity** (submitted November 2018)

- Role: Principal Investigator
- Co-Is: Dr. Michelle Martel, Dr. Greg Smith, Dr. Brendan Depue

NIMH R21: Engaging mechanisms to optimize fear extinction in anorexia nervosa: Indexing behavioral, physiological and neurobiological pathways (submitted October 2018)

- Role: Principal Investigator
- Co-Is: Dr. Stuart Murray, Dr. Jamal Essayli, Dr. Brendan Depue, Dr. Elizabeth Cash

NIMH R01: **Personalized Networks and Sensor Technology Algorithms of Eating Disorder Symptoms Predicting Recovery and Relapse** (submitted June 2018)

- Role: Principal Investigator
- Co-Is: Dr. Cynthia Bulik, Ph.D., Dr. Stephanie Zerwas, Ph.D., Dr. Kelsie Forbush, Dr. Stuart Murray, Dr. Eiko Fried, Dr. Sacha Epskamp, Dr. Ross Crosby, Dr. Stephen Wonderlich, Dr. Scott Engel, Elizabeth Cash

NIMH F31: Shared and Unique Neurobiological and Psychological Mechanisms of Comorbid Eating Disorder-Anxiety Symptoms during Adolescence (submitted August 2018)

- Role: Sponsor for Leigh C. Brosf

National Eating Disorder Association, Early Investigator Feeding Hope Grant: **Network Informed Personalized Treatment for Eating Disorders** (submitted Oct. 2018).

Role: Principal Investigator

Hilton and Preston Davis Foundation Early Investigator Award: **Neural Circuitry Underlying Learning during Exposure Therapy in Individuals with Eating Disorders** (submitted Sept 2018)

Role: Principal Investigator

Military Suicide Research Consortium (MSRC) Department of Defense: **Characterizing the dynamics of acute suicidal affective disturbance: A between-subjects and intra-individual network approach**

Role: Co-Investigator with Dr. April Smith

Period: January 2019 – January 2021

Total Requested: \$575,657

GRANTS AND AWARDS- Submitted not funded

SAMSHA University of Alabama- University of Louisville Center of Excellence for Eating Disorders (submitted August 2018- not funded)

- Role: Co-Principal Investigator with Dr. Krista Casazza

NIMH R01: **Impulsivity and ER Neural and Real-Time Markers of ADHD and ED Comorbidity** (submitted Jan. 2018-not funded-resubmitted)

- Role: Principal Investigator
- Co-Is: Dr. Michelle Martel, Dr. Greg Smith, Dr. Brendan Depue, Dr. Tory Eiesenhaur-Mouhl

NIMH U01: **Personalized Networks and Sensor Technology Algorithms of Eating Disorder Symptoms Predicting Recovery and Relapse** (submitted Oct. 2017-not funded-resubmitted as R01)

- Role: Principal Investigator
- Co-Is: Dr. Cynthia Bulik, Ph.D., Dr. Stephanie Zerwas, Ph.D., Dr. Kelsie Forbush, Dr. Stuart Murray, Dr. Eiko Fried, Dr. Sacha Epskamp, Dr. Ross Crosby, Dr. Stephen Wonderlich, Dr. Scott Engel

National Eating Disorder Association, Feeding Hope Grant: **A Randomized Control Trial of Online and Therapist-Assisted Imaginal Exposure Therapy for Fear of Weight Gain** (submitted Sep. 2017-not funded).

Role: Principal Investigator

TEACHING

Professor (Fall 2017). Advanced Psychopathology, University of Louisville
Professor (Spring 2017). Graduate Interventions II, University of Louisville
Professor (Fall 2016). Writing Intensive Eating Disorders Research & Treatment University of Louisville
Dissertation Committee: Stephanie McDonough (August 2016-)
Graduate Advisor: Leigh Brosos (start July 2016); Benjamin Calebs (start July 2016)
Instructor (Summer 2011). Abnormal Psychology
 Washington University: University College
Washington University Teaching Citation (completed April 2014)

This is a program sponsored by the Teaching Center for completing three distinct supervised and evaluated teaching experiences, attending six advanced workshops on teaching, and completing a teaching philosophy statement.

Undergraduate Research Mentor (August 2011-current)

I have mentored several student supervisee authors on independent projects and posters from data I have collected. These projects have resulted in poster presentations and authorship on manuscripts.

APL Discussion Leader (Fall 2008-Spring 2013)

I taught a research discussion section for student supervisee authors in the Anxiety and Psychotherapy Laboratory. Constructed syllabi and led weekly discussions on current research.

Introduction to Biological Psychology (Fall 2011). Teaching Assistant

Statistics (Fall 2009). Teaching Assistant

I taught review sessions, constructed exam questions, and lectured on correlation and multiple regression.

Introduction to Social Psychology (Spring 2009). Teaching Assistant

I constructed exam questions, held office hours to answer student questions, and provided support to the instructor.

Washington University Practicum in Teaching (Summer 2009)

UK 101 Peer Instructor (Fall 2005)

I taught an introductory freshmen class designed for first semester freshmen to learn skills for success in college. I taught classes on topics such as study skills, alcohol education, and how to use the library.

CLINICAL EXPERIENCES

University of North Carolina School of Medicine Internship Eating Disorder Program (August 2014-August 2015)

Department of Psychiatry

Center of Excellence in Eating Disorders

Supervisors: Cynthia Bulik, Ph.D., Dr. Thomas J. Raney, Ph.D., Meg Raney, Ph.D., Maureen Dymek-Valentine, Ph.D. Sara Hofmeier, M.S.

Primary Responsibilities Major Rotation: I served as an individual therapist in an outpatient, partial hospitalization, and inpatient eating disorder clinic carrying a caseload of 6-9 patients. I completed comprehensive assessments to evaluate eating disorder symptoms and behaviors and determine the appropriate level of care needed. I led CBT, DBT, and ACT groups for patients in the inpatient and partial hospitalization clinics. I designed and implemented groups on anxiety and perfectionism. I participated in interdisciplinary team meetings, didactics, and treatment planning. Finally, I participated in clinical research meetings and conducted research with the Center of Excellence in Eating Disorders Research Team.

Primary Responsibilities Minor Rotations: I completed minor rotations in behavioral medicine, bariatric surgery, heart and lung transplant services, pain clinic, women's mood and anxiety clinic, perinatal mood and depression clinic, and children with developmental disorders clinic.

Peer Supervisor (August 2011-May 2014)

Primary Responsibilities: I served as a peer supervisor for first year graduate students conducting IQ and clinical assessments. Additionally, I served as a therapy peer supervisor for two third year students. We met bi-weekly for supervision.

Community Consultant/Supervisor (August 2012-June 2014)

Primary Responsibilities: I served as a consultant and supervisor for a licensed MSW and direct care staff at a community eating disorder clinic. Consulted and supervised on anxiety disorder and exposure related treatments for patients with eating disorders.

Washington University Psychological Service Center; Therapist (August 2009-December 2013)

Supervisors:

Thomas Rodebaugh, Ph.D. (2009-2010), CBT orientation; anxiety disorder specialist
Amy Bertelson, Ph.D. (2010-2011), Integrative orientation; sleep disorder specialist
Carol Dyer, Ph.D. (2010-2012), Self-psychologist; eating disorder specialist
Jane Grady, Ph.D. (2012-2013), CBT orientation; child and adolescent specialist

Primary Responsibilities: Individual outpatient therapy with a wide range of long and short-term patients using many treatment modules including: CBT, mindfulness-based therapies, dialectical behavior

therapy, supportive therapy, interpersonal therapy, integrative therapy, behavioral therapy, and family therapy. Completed intake interviews using structured clinical interviews. Treated adults and adolescents with a wide range of diagnoses including: borderline personality disorder, schizophrenia, binge-eating disorder, social anxiety disorder, major depression, bulimia nervosa, generalized anxiety disorder, obsessive-compulsive disorder, body dysmorphic disorder, post-traumatic stress disorder, and panic disorder. I saw patients both short term and long-term (more than 3 years in some severe cases). Attended weekly individual (2010-2013) and group (2009-2011) supervision.

McCallum Place Eating Disorder Treatment Program and Webster Wellness Professionals; Therapist (May 2012-May 2014)

Supervisors: Dr. Randal Flanery, Ph.D. (primary), Dr. Jennifer Summers, Psy.D., Dr. Carol Dyer, Ph.D.
Primary Responsibilities: Worked as a practicum therapist at both the inpatient hospital (McCallum Place) and affiliated intensive outpatient facility (Webster Wellness). Independently or co-led the following groups: Cognitive Behavior Therapy for Eating Disorders, Meal Therapy; Dialectical Behavior Therapy (DBT) skills training for adults, DBT skills training for adolescents, Interpersonal Effectiveness skills, Adolescent Cognitive Behavior Therapy, Relationship Skills, Schema, Sexuality, and Process groups. Participated in DBT consultation team meetings. Conducted individual cognitive behavior therapy with clients in the intensive outpatient program. Co-assisted with family day once a month with patients and their families (family therapy included). Designed and implemented group on perfectionism. Organized and conducted ongoing research study testing the effectiveness of d-cycloserine on meal exposure therapy. Conducted individual structured clinical interviews with patients in the inpatient facility. Attended weekly individual supervision.

Washington University Psychological Service Center; Additional Assessment Experience (2012-2014)

Supervisors: Dr. Desiree White, Ph.D., Dr. Jim Reid, Ph.D.
Primary Responsibilities: Conducted structured clinical interviews and wrote integrated diagnostic reports. Conducted clinical, personality, intelligence, and attention assessments.

The St. Louis Behavioral Medicine Institute; Anxiety Disorders Therapist (August 2011-May 2012)

Supervisors: C. Alec Pollard, Ph.D., Gloria Mathis, Ph.D., Debra Emery, Ph.D., Melanie VanDyke, Ph.D.
Primary Responsibilities: Provided individual and group therapy to patients in the intensive outpatient program for children and adults. Primary diagnoses were severe anxiety and depressive disorders. Implemented intensive exposure therapy. Also implemented mindfulness, acceptance and commitment, and cognitive therapy. Co-led the child anxiety group for children ages 6-12. Co-led the adult social anxiety disorder group. Attended case consultation meetings and individual supervision.

Washington University Psychological Service Center; Mindfulness Group Leader (September 2011-November 2011)

Supervisor: Thomas L. Rodebaugh, Ph.D.
Primary Responsibilities: Designed and implemented an 8-week mindfulness therapy group for adults based on Segal et al.'s Mindfulness Based Cognitive Therapy. Participants were primarily older adults.

Washington University Psychological Service Center; ADHD Parent Training Group Leader (January 2010-June 2010)

Supervisor: Denise Head, Ph.D.
Primary Responsibilities: Participated in an intensive training on how to conduct a parent training group. Co-led a 10-week Barkley Defiant Children ADHD parent training group for parents of children with defiant behavior or ADHD. Conducted individual assessments with parents to determine if they were appropriate for the group. Participated in weekly supervision where we re-watched videos of the group.

Washington University Psychological Service Center; Clinical Assistant to the Director (August 2010-

August 2011)

Supervisor: Dr. Amy Bertelson, Ph.D.

Primary Responsibilities: I conducted over 70 initial screening assessments of patients seeking therapy. Completed 20-30 minute interviews assessing symptoms, functioning, and background information. Maintained hourly reports for all graduate students therapists and assisted the Director with daily clinic duties.

Washington University Student Health Services Counseling Center; Counselor (August 2010-May 2011)
Supervisor: Dr. Craig Woodsmall, Psy.D. (primary), Dr. Dorothy Van Buren, Ph.D.

Primary Responsibilities: I maintained a caseload of 5-7 clients weekly who sought counseling for a variety of issues spanning from adjustment disorders, insomnia, grief, and stress to severe aspergers, anxiety, and depressive disorders. Additionally, I participated in the weekly eating disorder consultation group and attended weekly case conference meetings. I also conducted outreach programs on healthy sleep and exercise habits.

Empirically Supported Treatments Class, Student (Fall 2009)

University of Kentucky Harris Psychology Service Center; Intern (Spring 2007)

Bluegrass Rape Crisis Center; Volunteer (May 2007-August 2008)

HONORS AND AWARDS

University of Kentucky Community Supervisor Award (April 2018)

Awarded for providing supervision to Heather Davis, PhD candidate

Washington University Conference Travel Award (yearly 2008-2013)

Washington University Graduate Fellowship (2008-2009)

Phi Beta Kappa

2008 James Miller Award

This was given for recognition of best undergraduate honors thesis poster presentation at the University of Kentucky Psychology Honors and Awards Day.

Holman-Hamilton Fellowship (Spring 2007)

I was awarded a semester tuition scholarship for successful academic performance. This award is given to one history major per year and is selected by the history faculty.

Governor's School for the Arts Full Tuition Scholarship (2003-2007)

I was awarded a four-year full tuition scholarship at the University of Kentucky. This was awarded after successful completion of Kentucky's Governor's School for the Arts in the piano concentration and for having high ACT/SAT scores.
