Vendor Questions

1. Will the generator be on site, or do we have to bring it to the site from another location?

University Response: We have requested for the delivery to be at Site. Expected delivery Date is 1<sup>st</sup> week of September. Will update as the exact date gets closer.

2. Is the concrete pad at the northwest loading dock sufficient for operating a crane?

University Response: This area has tunnels and have weight limitations. See Exhibit G - Tunnel Documents for more information.

3. Is there a specific roofing contractor who holds the warranty on the roof that we have to use?

University Response: Roofs warranty is expired, and it will be replaced in separate project.

4. Will there be any noise restrictions when performing work during class hours?

University Response: Yes, any work related to noise shall NOT be performed during class hours. Work after class hours & on weekends is acceptable to us. More information will be shared as project progresses.

The Class hours Scheduled during the week is noted below.

Monday to Thursday: 8:00 AM– 6:45 PM
