5.10 Indemnification

Indemnification by the University to indemnify the Supplier or any of its subcontractors or otherwise shall only be to the extent permitted by Kentucky Revised Statutes (KRS [49.010](#) through [49.180](#)) by the powers and authority vested in the Kentucky Claims Commission and KRS [45A.225](#) through [45A.275](#) (Contract Claims). University does not waive any of the rights, privileges or immunities available to Kentucky state agencies, and any conflicting provision in the terms and conditions or agreement provided by the vendor is rejected.

Any Supplier awarded a Contract as a result of this solicitation shall defend, indemnify, and hold harmless the University, its affiliated entities, their trustees, officers, employees, and agents from and against all costs, losses, and expenses (including reasonable cost of attorneys' fees) by reason of liability imposed by law upon the Supplier for damages resulting from the Supplier's performance or because of bodily injury, including death, personal injury, data breach/loss at any time resulting there from, sustained by any person or persons including the Supplier's employees, or on account of damage to property, including loss of use thereof, to the extent arising out of or in consequence of the negligent or intentional action or omission, or willful misconduct of the Supplier, provided however, that nothing contained herein shall require the Supplier to indemnify the University for such injuries to persons or damage to property to the extent arising out of, or in consequence to the negligent or intentional action, omission, or willful misconduct of the University, its officers, employees, and agents. Any cap or limitation on the amount of the liability included in its response is rejected. Any limitation of liability requires specific acceptance by the University (e.g., via an amendment signed in writing by both parties).

5.11 No Arbitration

Binding arbitration to resolve a controversy or claim arising out of or relating to this contract, or breach thereof, is expressly rejected and may not be sought by either party hereto. Mediation or other forms of non-binding alternative dispute resolution may be used in lieu of binding arbitration.

5.12 Insurance Requirements

Before the supplier becomes entitled to any rights under this procurement and prior to taking any action under any resulting award/agreement, supplier shall have a Certificate of Insurance indicating the organization's in-force insurance coverage for the following policies and limits. Supplier agrees to provide proof of insurance upon request.

MINIMUM COVERAGE AMOUNTS

Type of Insurance	Minimum Limits of Liability
Commercial General Liability* Including: Completed Products, Personal and Advertising Injury, Products/Completed Operations	\$1,000,000.00 Each Occurrence \$2,000,000.00 General Aggregate
Auto Liability* All owned, hired, and non-owned vehicles	\$1,000,000.00 Combined Single Limit (Bodily Injury, Property Damage)

Workers' Compensation	Statutory Limits – Kentucky and the state(s) of domicile of the organization and any subcontractor(s). The all state and voluntary compensation endorsement is to be attached to the policy.
Employers' Liability	\$1,000,000.00 (Each employee, each accident and policy limit)
Professional Liability	\$1,000,000.00 Each Occurrence \$1,000,000.00 General Aggregate
Property Insurance	Replacement Cost, Open Perils, Property Insurance for all Personal Property used/stored by the supplier involved procurement on University Property.

*Occurrence coverage is required. Claims-made coverage is not acceptable.

These policies (except Workers' Compensation) shall name the University, its trustees, officers, employees, and agents as Additional Insured and shall contain a covenant requiring no less than then (10) business days written notice to the University before cancellation, reduction, or other modification of coverages.

These policies shall be primary and noncontributing with any insurance carried by the University and shall contain a severability of interest clause in respect to cross liability, protecting each Additional Insured as though a separate policy had been issued to each. A certificate of the above policies shall be furnished to the University at least then (10) business days prior to the commencement of the services provided under this agreement.

All Certificates of Insurance must clearly state that the organization's insurance is PRIMARY. If organization's policy has deductibles, self-insured retentions, or co-insurance penalties, then all such costs shall be solely borne by the organization and not by the University. The University will not share in any policy deductibles.

It is hereby agreed that in event of a claim arising under this policy, the organization will not deny liability by reason of the Additional Insured being a state, county, municipal corporation, or governmental agency.

The limits listed above may be accomplished through a combination of primary and excess/umbrella liability policies written on a "follow form" basis or forms no more restrictive than the primary policies.

5.13 Reciprocal Preference

In accordance with [KRS 45A.494](#) a resident Offeror of the Commonwealth of Kentucky shall be given a preference against a nonresident Offeror. In evaluating proposals, the University will apply a reciprocal preference against an Offeror submitting a proposal from a state that grants residency preference equal to the preference given by the state of the nonresident Offeror. Residency and non-residency shall be defined in accordance with [KRS 45A.494\(2\)](#) and [KRS 45A.494\(3\)](#), respectively.

Any Offeror claiming Kentucky residency status shall submit with its proposal a notarized affidavit ([Resident Bidder Status Form](#)) affirming that it meets the criteria as set forth in the above referenced statute. ***This condition does not apply to procurements utilizing Federal funds.***

5.14 Sustainability

The University is dedicated to acquiring products and services that are consistent with our commitment to sustainability. For the purpose of judging sustainability, the following considerations apply:

Sustainable Development is enhanced through sound Environmental, Social, and Economic practices and technologies that minimize or eliminate waste and negative impacts on current resources.

The University seeks products and services that pose no significant risk to human health or environmental quality when compared with competing products or services that serve the same purpose. This comparison, where applicable, may consider raw materials and energy acquisition; production and manufacturing; packaging and distribution; and the operation, maintenance, reuse, recyclability, or disposal of a product. Materials, products, and workers from the local region are preferred sources, along with companies/contractors that can demonstrate efforts to ensure worker protections and to restore or enhance the environment.

5.15 Confidentiality

The University recognizes an Offeror's possible interest in preserving selected information and data included in the proposal; however, the University must treat such information and data as required by the Kentucky Open Records Act, KRS [61.870](#), et seq.

Information areas which normally might be considered proprietary, and therefore confidential, shall be limited to individual personnel data, customer references, formulae, and company financial audits which, if disclosed, would permit an unfair

advantage to competitors. If a proposal contains information in these areas and the Offeror declares that information to be proprietary in nature and not available for public disclosure, the Offeror shall declare in the Transmittal Letter the inclusion of proprietary information and shall noticeably label as confidential or proprietary each sheet containing such information. Proposals containing information declared by the Offeror to be proprietary or confidential, either wholly or in part, outside the areas listed above may be deemed non-responsive and may be rejected.

The University's General Counsel shall review each Offeror's information claimed to be confidential and, in consultation with the Offeror (if needed), make a final determination as to whether the confidential or proprietary nature of the information or data complies with the Kentucky Open Records Act.

5.16 Conflict of Interest

Any Offeror responding to the RFP is required to disclose any potential conflict of interest. If the owner of the organization is related to a University employee, that relationship must be disclosed in writing and made part of the proposal response.

For the purposes of disclosure of a conflict, a person is a related person if related to a University employee in any of the following ways, and includes those within these categories who are referred to as adopted, step-, foster, grand-, half-, in-law, spouse of, or great-:

- Parent
- Child or Ward
- Sibling
- Uncle or Aunt
- First cousin
- Nephew or niece
- Spouse, domestic partner, significant other

5.17 Payment Terms

The Supplier shall be paid, within thirty (30) days after receipt of a proper invoice sent to the University Controller's Office, at the prices stipulated for items delivered and accepted, or services rendered. Unless otherwise specified, payment will not be made in advance, or for partial deliveries.

The University reserves the right to make payment for orders via the University corporate Visa procurement card (ProCard).

5.18 Tax Exempt Status

The University is tax exempt from the provision of the Kentucky six percent (6%), sales and/or Use Tax on materials and equipment under this procurement. The University is also entitled to exemption from Federal Excise Tax. Our tax-exempt number is C-102. Exemption certifications shall be furnished upon request to cover exemptions where applicable.

5.19 COVID-19 Safety Requirements

Offerors, awardees, their subcontractors, and all associated personnel, while on any University property or University controlled property, must be in compliance with all current University, state, local, and/or federal public health guidance for the prevention of spread of COVID-19. These guidelines include, but are not limited to, practicing social distancing to the extent practicable, and wearing a mask that covers both the individual's nose and mouth.

(Applicable to Suppliers exceeding \$10,000 in Contracts with a University affiliated entity in a twelve-month period)

This Contract is subject to the requirements of Executive Orders 11246 and 11375 and the rules and regulations of the U.S. Secretary of Labor (41 CFR Chapter 60) in promoting Equal Opportunities.

During the performance of this Contract the Supplier agrees as follows:

- i. Supplier will not discriminate against any employee or applicant for employment because of race, religion, color, sex, or national origin. Supplier will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation, and selection for training, including apprenticeship. Supplier agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Government setting forth the provisions of this nondiscrimination clause.
- ii. Supplier will, in all solicitations or advertisements for employees placed by or on behalf of the Supplier, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, or national origin.
- iii. Supplier will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the labor union or workers' representative of Supplier's commitments under Section 202 of Executive Order 11246 of September 24, 1965, as amended, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- iv. Supplier will comply with all provisions of Executive Order 11246 of September 24, 1965, as amended, and of the rules, regulations, and relevant orders.
- v. Supplier will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Affirmative Action Office for the purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- vi. In the event of Supplier's noncompliance with the nondiscrimination clauses of this Contract or with any of such rules, regulations, or orders, this Contract may be cancelled, terminated, or suspended in whole or in part, and Supplier may be declared ineligible for further Government contracts in accordance with the procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed or remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- vii. Supplier will include the provisions of Paragraphs (i) through (vi) in every subcontract or purchase order unless exempted by the rules, regulations, or orders issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provision will be binding upon each subcontractor or vendor. Supplier will take such action with respect to any subcontract or purchase order as the Government or Buyer may direct as a means of enforcing such provision including sanctions for noncompliance; provided, however, that in the event Supplier becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, Supplier may request the United States to enter into such litigation to protect the interests of the United States.

6.2 Affirmative Action for Disabled Veterans and Veterans of the Vietnam Era

(Applicable to Suppliers exceeding \$10,000 in Contracts with a University affiliated entity)

This Contract is subject to the requirements of Executive Order 11701 and the regulations of the U.S. Secretary of Labor (41 CFR Chapter 60, Part 60-250) in promoting employment opportunities for disabled and Vietnam veterans.

During the performance of this contract or purchase order, Supplier agrees as follows:

- i. To provide special emphasis to the employment of qualified disabled veterans and veterans of the Vietnam era. The Supplier also agrees that all suitable employment openings of the Supplier which exist at the time of execution of this Contract and those which occur during the performance of this Contract, including those not generated by this Contract and including those occurring at an establishment of the Supplier other than the one wherein the Contract is being performed but excluding those of independently operated corporate affiliates, shall be offered for listing at an appropriate local office of the State Employment Service system wherein the opening occurs and to provide such reports to such local office regarding employment openings and hires as may be required: provided, that if the Contract or purchase order is for less than \$10,000 or if it is with a state or local government, the reports set forth in Paragraphs (iii) and (iv) of this clause are not required.
- ii. Listing of employment openings with the employment service system pursuant to this clause shall be made at least concurrently with the use of any other recruitment service or effort and shall involve the normal obligations which attach to the placing of a bona fide job order, including the acceptance of any particular job applicant or from any particular group of job applicants, and nothing herein is intended to relieve the Supplier from any requirements in Executive Order or regulations regarding nondiscrimination in employment.

- iii. The reports required by Paragraph (i) of this clause shall include, but not be limited to, periodic reports which shall be filed at least quarterly with the appropriate local office or where the Supplier has more than one establishment in a state, with the central office of the state employment service. Such reports shall indicate for each establishment (1) the number of individuals who were hired during the reporting period; (2) the number of those hired who were disabled veterans; and (3) the number who were nondisabled veterans of the Vietnam era.
- iv. The Supplier shall submit a report within thirty (30) days after the end of each reporting period wherein any performance is made on this contract or purchase order. The Supplier shall maintain copies of the reports submitted until the expiration of one year after final payment under the Contract, during which time they shall be made available, upon request, for examination by any authorized representatives of the contracting officer or of the University's Affirmative Action Office.
- v. Whenever the Supplier becomes contractually bound to the listing provisions of this clause, he shall advise the employment service system in each state wherein he has establishments of the name and location of each such establishment in the state. If the Supplier is contractually bound to these provisions and has so advised the state system, there is no need to advise the state system of subsequent contracts or purchase orders. The Supplier may advise the state system when it is no longer bound by this contract clause.
- vi. This clause does not apply to the listing of employment openings which occur and are filled outside of the 50 states, the District of Columbia, Puerto Rico, Guam, and the U.S. Virgin Islands.
- vii. This clause does not apply to openings which the Supplier proposed to fill from within his own organization or to fill pursuant to a customary and traditional employer-union hiring arrangement. This exclusion does not apply to a particular opening once an employer decides to consider applicants outside of his own organization or employer-union arrangement for that opening.
- viii. As used in this clause:

It does not include openings which the Supplier proposes to fill from within his own organization or to fill pursuant to a customary and traditional employer-union hiring arrangement. Under the most compelling circumstances an employment opening may not be suitable for listing, including the situations where the needs of the Government cannot reasonably be otherwise supplied, where listing would be contrary to national security, or where the requirement of listing would otherwise not be for the best interest of the Government.
 2. "Appropriate office of the state employment service system" means the local office of the federal-state national system or public employment offices with assigned responsibility for serving the area where the employment opening is to be filled, including the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands.

 6. "Veterans of the Vietnam era" means a person (1) who (i) served on active duty for a period of more than 180 days, any part of which occurred after August 5, 1964, and was discharged or released therefrom with other than a dishonorable discharge, or (ii) was discharged or released from active duty for service-connected disability if any part of such duty was performed after August 5, 1964, and (2) who was so discharged or released within the 48 months preceding his application for employment covered under this part.

- iii. The reports required by Paragraph (i) of this clause shall include, but not be limited to, periodic reports which shall be filed at least quarterly with the appropriate local office or where the Supplier has more than one establishment in a state, with the central office of the state employment service. Such reports shall indicate for each establishment (1) the number of individuals who were hired during the reporting period; (2) the number of those hired who were disabled veterans; and (3) the number who were nondisabled veterans of the Vietnam era.
- iv. The Supplier shall submit a report within thirty (30) days after the end of each reporting period wherein any performance is made on this contract or purchase order. The Supplier shall maintain copies of the reports submitted until the expiration of one year after final payment under the Contract, during which time they shall be made available, upon request, for examination by any authorized representatives of the contracting officer or of the University's Affirmative Action Office.
- v. This exclusion does not apply to a particular opening once an employer decides to consider applicants outside of his own organization or employer-union arrangement for that opening.
- viii. As used in this clause:
 1. "All suitable employment openings" includes, but is not limited to, openings which occur in the following job categories: production and nonproduction; plant and office; laborers and mechanics; supervisory and nonsupervisory; technical, executive administrative, and professional openings which are compensated on a salary basis of less than \$18,000 per year. disability if any part of such duty was performed after August 5, 1964, and (2) who was so discharged or released within the 48 months preceding his application for employment covered under this part.

6.4 Certificate of Nonsegregated Facilities

(Applicable to Suppliers exceeding \$10,000 in Contracts with a University affiliated entity)

This Contract is subject to the requirements of Executive Order 11246 and the regulations of the U.S. Secretary of Labor (41 CFR Part 60-1.8) prohibiting segregated facilities based upon race, color, religion, sex, or national origin.

The undersigned Supplier certifies to the University and the Federal Government agencies with which it contracts that he does not maintain or provide for his employees any segregated facilities at any of his establishments, and that he does not permit the employees to perform their services at any location under his control where segregated facilities are maintained. The undersigned bidder, offeror, applicant, supplier, or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity Clause in this Contract. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, restrooms and washrooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, creed, color, or national origin, because of habit, local custom, or otherwise. He further agrees that (except where he has obtained identical certifications from proposed subcontractors for specific time period) he will obtain identical certifications from proposed subcontractors prior to the award of subcontractors exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity Clause, that he will retain such certification in his files, and that he will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certification for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENT FOR CERTIFICATION OF NONSEGREGATED FACILITIES

A Certification of Nonsegregated Facilities must be submitted prior to the award of a subcontract exceeding \$10,000 which is not exempt from the provision of the Equal Opportunity Clause. The Certification may be submitted either for each subcontract or for all subcontracts or for all subcontracts during a period (i.e., quarterly, semiannually, or annually). NOTE: The penalty for making false statements in offers is prescribed in 18 U.S.C. 1001.

6.5 Employment of Individuals with Disabilities

(Applicable to Suppliers exceeding \$10,000 in Contracts with a University affiliated entity)

During the performance of this Contract, Supplier agrees as follows:

- i. That it will not discriminate against any employee or applicant for employment because of physical or mental disability regarding any position for which the employee or applicant for employment is qualified. - iii. That in the event of noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.
- iv. That it will post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Deputy Assistant Secretary for Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities. The contractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the contractor may have the notice read to a visually disabled individual or may lower the posted notice so that it might be read by a person in a wheelchair).
- v. That it will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding that the contractor is bound by the terms of section 503 of the

Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment individuals with physical or mental disabilities.

- vi. That it will include the provisions of this clause in every subcontract or purchase order in excess of \$10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provision will be binding upon each subcontractor or vendor. Supplier further agrees that it shall require similar certification and filing from its nonexempt subcontractors and suppliers. The Supplier agrees to submit a copy of his Affirmative Action Program to the Affirmative Action Office, University of Louisville, within 30 days after the award to him of a Contract. Subsequent reports shall be submitted annually in accordance with 41 CFR 60-1.7(a)(1).

(Applicable to federally funded Contracts exceeding \$150,000 [or a higher threshold if the \$150,000 is adjusted for inflation as determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council])

Supplier acknowledges that the applicable University affiliated entity may impose sanctions or penalties on the Supplier for violation of terms of the Contract or breach of contract including violation of applicable regulations, other applicable provisions of law, or any directive or instruction from the University affiliated entity or federal entity providing the funding. The University affiliated entity will determine the appropriate sanction and/or penalty, up to and including the inability to provide future goods or services to any University affiliated entity. In determining the appropriate sanction and/or penalty, the University affiliated entity will consider previous violations, potential harm to the project for which the goods or services are being provided, and any other relevant factors.
