4. Please provide specs on wall tile above south wall casework.

University Response: Tile – Lixil – Inax Wall Tile – Format Mix – YM-Form/BL-Mix – Monolithic

5. Are there any special features or minimal specifications for the 3 tv's in the conference room?

University Response: 75" and Two (2) 55" TVs, preference for airplay capability on all 3

6. Will there be a dedicated area for dump truck or dumpster?

University Response: Yes

7. Are there any limitations on work hours or noisy work conditions?

University Response: No

8. Per the building drawing (Exhibit A) provided in the RFP under Supplemental Documents, it shows North in the direction of the volleyball court. The locations of the walls discussed in the scope of work seem to have North facing the top of the page (towards the 4x12 marker board and 6x6 screen to be removed). For clarification purposes, are we to assume North is correct on the drawing or in the RFP Scope of Work?

University Response: Assume North is the top of the page

9. Per the Conference Room Scope of Work in the RFP, it calls for removing and salvaging all ceiling tiles. When I spoke to Zach, he said that it should have also included replacing all the

ceiling tiles in the conference room. Are we replacing all the ceiling tiles in the conference room? If so, what are the specs of the new ceiling tiles? Is the existing ceiling grid and lighting remaining the same in the conference room?

University Response: We want to salvage all that we can and just replace any damaged tiles. Existing Grid and lighting remain.

10. What are the specs for the casework and solid surface counters in the Conference Room?

University Response: Solid Surface – Corian Solid Surface Silver Birch
Laminate Cabinets – Base Cabinet – Wilsonart Premium Laminate – Blackbird 5024k-19

11. What are the specs of the wall graphics in the Lobby, Conference Room and Corridor? What material would match other wall graphics in the offices?

University Response: Vinyl wall covering

12. What are the paint specs (brand) for the walls and doors? Are we to paint the door frames as well?

University Response: Sherwin Williams, Do not need to paint door frames.

13. What are the specs for the LVT going in the Conference Room and Lobby?

University Response: LVT – Milliken 5MM LVT – Reflective, Reverse LRF154, LVT – Milliken 5MM LVT – Light Wash, Shade LLW154

14. What brand and models of TV's in the conference room?

University Response: Samsung or LG would be preference.

15. What are the specs for the wall tile in the conference room?

University Response: Tile – Lixil – Inax Wall Tile – Format Mix – YM-Form/BL-Mix – Monolithic

16. Are we framing and hanging new walls?

University Response: No

17. What are the Wall Types?

University Response: Drywall

18. What is the Ceiling and Deck height?

University Response: Ceiling height is approximately 9'

19. Is there acoustical ceiling tile work?

University Response: Yes, salvaging tiles and replacing any damaged tiles
