WEEKEND CLASS FINAL EXAMS will be given on the same day and time (Dec. 6, 7, or 8) as the regularly scheduled classes. Not all combinations of meeting times are scheduled, especially single meeting times. Please consult the appropriate Dean's Office if clarification is needed. Arrangements for combined section exams are the responsibility of the instructors for these courses. All combined section exams must be cleared in advance through the Dean's Office. If a student has more than one combined section exam at the same time, he or she should report the problem to one of the instructors for resolution.

WEEKEND CLASS FINAL EXAMS will be given on the same day and time (April 23, 24, or 25) as the regularly scheduled classes. Not all combinations of meeting times are scheduled, especially single meeting times. Please consult the appropriate Dean's Office if clarification is needed. Arrangements for combined section exams are the responsibility of the instructors for these courses. All combined section exams must be cleared in advance through the Dean's Office.
