

**Are you a woman who changed jobs, or quit a job
during the pandemic?**

If so, you are invited to participate in a research study sponsored by Professor Karen Christopher in the Department of Sociology at the University of Louisville.

Respondents must:

- Identify as women
- Have worked in professional, administrative, clerical or desk jobs, OR in service-jobs such as restaurant work, retail, call centers, personal service, or cleaning jobs.
- Changed or quit a job anytime in 2020-22

The study includes an approximately hour-long interview and brief, one-page survey. Questions will cover respondents' job trajectories during the pandemic. Interviews will take place in coffee shops, public libraries, or at UofL.

Respondents will receive a \$25 gift card for participation.

*If interested, please **text** Professor Karen Christopher at 502-407-8161 or **email** her at k.christopher@louisville.edu.
