

## **PhD in Public Health Sciences – Health Management**

### ***Admission***

Applicants already holding an advanced degree are evaluated on the basis of appropriateness of previous coursework, training and experience. The graduate work by such applicants is reviewed on a case-by-case basis, and the applicant, if admitted, may be required to take additional course work prior to completing the minimum 48 credit-hours required for post-master's doctoral work.

The minimum required documentation for full admission must include:

- Official transcript for each degree
- Official GRE score – If applicant has no degree from accredited US institution, then only the GRE is acceptable – Requirement is waived if applicant has doctoral degree.
- Three (3) letters of recommendation from individuals who have direct knowledge and experience with the applicant's academic and/or professional work experience.
- Official TOEFL score if applicant's native language is not English and applicant has no degree from accredited US institution.
- Foreign credential evaluation for each degree not from an accredited US institution

The following are recommended criteria for admission:

- Undergraduate and Graduate GPA each  $\geq 3.0$  on 4.0 scale
- GRE performance in 50<sup>th</sup> percentile or above for Verbal and Quantitative scores (Comparable scores on the MCAT or DAT are considered.)
- If applicable, Test of English as a Foreign Language (TOEFL) score in 60<sup>th</sup> percentile or above

### ***Application Deadline***

Applications are accepted for fall admission only and should be completed by May 1<sup>st</sup>.
