

Non-resident MPH Students Pay Resident Tuition Rates

Save Money on Tuition

Tuition scholarships are available to students who enroll in the Master of Public Health (MPH) degree program and are from one of the seven border states of Kentucky:

- Illinois
- Indiana
- Missouri
- Ohio
- Tennessee
- Virginia
- West Virginia

The University of Louisville School of Public Health and Information Sciences began this program in Fall 2011. Students receive a scholarship that pays the difference between resident and non-resident tuition rates.

If you have questions, contact the Office of Student Services at 502-852-3289 or sphiss@louisville.edu.
