

Southern Police Institute

Excellence in Policing

Organizational Leadership & Problem Solving

40-Hour Training Course

This course is grant funded by the Wisconsin Department of Justice and being offered **TUITION FREE** for law enforcement personnel in Wisconsin ONLY.

Course Description

Problem-solving has become a principle job of those in leadership positions. A logical and reasonable basis for problem-solving is necessary to obtain consistent and lasting performance among individuals. This course combines organizational leadership and the role of problem solving in a law enforcement agency. Participants will be provided the opportunity to reflect on different leadership models, techniques and examples.

Who Should Attend

Mid-level & upper management and upper management-seeking law enforcement personnel.

Course Topics and Areas of Instruction

- Organizational leadership
- Problem solving
- Problem based learning
- Team-building
- Defining leadership
- Leadership and ethics
- Leadership models
