

**CONSENSUAL RELATIONS POLICY REVIEW COMMITTEE REPORT
DECEMBER 9, 2019**

This committee met Friday, November 22, 2019.

Provost Beth Boehm read the committee's charge, which is to review and make recommendations regarding the University of Louisville Consensual Sexual Relations policy adopted by the Board of Trustees in 1999. The committee will consider comparable policies at benchmark universities, current applicable University of Louisville policies, and relevant research. The work product requested is a revised policy statement that is student-centered in focus and accompanied by a report that justifies the proposed policy. The deadline for this work product is April 15, 2020.

The committee had a brief discussion regarding the pros and cons of the current policy as well as how to proceed. It was determined that the committee membership would be split into two sub-committees – one to review and report on comparable policies at other universities and one to review and report on relevant research. These sub-committees will meet in December and January, with the full committee meeting again in February to begin discussion and drafting of the final work product.

Respectfully submitted by,
Senator Barbara Bishop
