

Bylaws Review Ad Hoc Committee
2018-2019 Report
May 13, 2019
Submitted by Senator Carcyle D. Barrett

Committee Members: Carcyle D. Barrett, Barbara Bishop, Cathy Buckley, Linda Leake, Vickie Tencer, Linda Wilde

The Bylaws Ad Hoc Committee met on May 7, 2019 to review proposed Amendments to Articles 6 through 10 of the Bylaws. These proposed Amendments will be presented to the Executive Committee at the next meeting.

There will not be a reading of the Bylaws at this General Body meeting. The Bylaws committee is still working through some proposed Amendments to present to the Executive Committee.

We are still waiting on Charters from most of the Standing Committees—only one has been submitted to me so far (PED Committee). I encourage all Standing Committee chairs to please work with your committee members and to construct the Charter. The committee is at a standstill without these documents.
