

Staff Senate
Consensual Relations Policy Review Committee

The full committee met on Monday, May 11 and Friday, May 22, 2020. An optional additional meeting for those available took place on Tuesday, June 2, 2020.

The committee reviewed and discussed some of the most recent edits to the draft policy. Discussion continued to be focused primarily on the “Policy Statement” section of the draft, where members of the committee continued to discuss and revise the policy in areas such as which amorous relations would be prohibited. The committee agreed to move away from the idea of having management plans for certain types of relationships.

Committee members will continue to revise and edit the draft policy between now and the next meetings.

The full Consensual Sexual Relations Policy Review committee is scheduled to meet next on Monday, June 15, 2020.
