

University of Louisville – Faculty Senate Academic Programs Committee  
Report to Staff Senate

Prepared and Submitted by Sarah Frankel, Staff Senator for University Libraries  
November 11, 2019

The Academic Programs Committee met on Wednesday, November 6, just prior to the Faculty Senate meeting. We reviewed and discussed two new proposals: BS in Urban Studies from the Department of Urban and Public Affairs (UPA) and MS in Materials and Energy Science & Engineering from the Speed School of Engineering. The goal of the committee is to present these two proposals at the next Faculty Senate meeting on December 4, 2019.

The three prior proposals were presented to and approved by Faculty Senate on November 6 (and will move on to the next step in the process):

1. Undergraduate certificate in LGBTQ Health Studies from the College of Arts & Sciences
2. Post-Baccalaureate certificate in Organizational Change in Higher Education from the College of Education & Human Development.
3. BS in Business Administration in Management from the College of Business

Currently, no future meetings of APC are scheduled.
