

***Staff Senate***  
***Physical Plant Ad Hoc Committee***

Invitees: Barbara Bishop (Chair), Paul Eitel, Andrew Grubb (Staff Senate Vice Chair), Donna Hardesty, Meg Peavy, David Schlaegel, Bill Taylor, Rick Williams, Dave Young

Attendees: Barbara Bishop, Donna Hardesty, David Schlaegel, Dave Young

The Physical Plant Ad hoc Committee met in a joint meeting with the CODRE Staff Concerns Committee on Wednesday, September 18, 2019, and had a regular committee meeting on Wednesday October 2, 2019.

During the joint meeting, the CODRE committee presented information regarding the status of its initiatives to guests, Sajid Mian and Tina Pierce. They also discussed the outcomes of the recent survey that the committee completed with Physical Plant. In addition, the Physical Plant leadership discussed their efforts to support the professional development of its employees. The meeting concluded with the goal of having the two committees have joint meetings on a more frequent basis in order to keep momentum going on all initiatives.

At the regular Physical Plant Ad hoc Committee meeting, there were continuing discussions regarding the two major initiatives, Walk-A-Mile and Office Commons, Senator Schlaegel will serve as point of contact and coordinator for the Walk-A-Mile initiative, and the committee will continue to seek units interested in participating in the Office Commons initiative. The committee is also investigating the possibility of collaborating and combining efforts with the SMCO Committee.
