The Physical Plant Ad hoc Committee met on Thursday, January 16, 2020. At that time, a discussion was had among the members present regarding the committee's next steps. In reviewing the original goals and the issue related to implementing the two new initiatives, the committee members present agreed that the Ad Hoc committee had achieved its goals and would submit a request to the Staff Senate Executive Committee that the committee be discharged at this time. No response to this request was received at the time this report had been submitted.

Respectfully submitted,
Barbara Bishop, Chair
