

## **Staff Senate Title IX Committee**

The full committee met for the first time on Thursday, May 28, 2020. The purpose of this meeting was to outline the committee charge and to detail the tasks needing completion to meet this charge. The goal is to have policies and procedures formalized and ready to implement by August 14, 2020, in order to be in compliance with the U.S. Department of Education regulations. The committee reconvened on Wednesday, June 3, 2020, where time was spent sharing more information regarding the regulations and orientation to the current university policies and procedures.

I am assigned to the Employee Processes Workgroup, which met for the first time on Friday, June 5, 2020. During this meeting, Brigid Gies, Chair of this subcommittee, provided an orientation to the current employee side of the university Title IX policies and procedures and outlined the areas where these current policies and procedures will need to be refined in order to be compliant with the new Title IX regulations. The goal is for this subcommittee to meet weekly.

The next full committee will meet on Wednesday, June 10, 2020. The next Employee Processes Workgroup meeting has not yet been scheduled.
