Members Present: N/A

Staff Senate Services & Facilities Committee Questions fielded from constituents and answers provided from Mark Watkins:

- Lights out on 2nd floor of Floyd St garage
- Breaks in roadway on University Blvd at edge of brick paths. In front of Field Hockey between McDonalds and gas station.
 - Response from Ashley O’Nan with Parking & Auxiliary Services on both items: Just wanted to let you know that the lights on the 2nd floor of the garage have been fixed and the work order has been put in about the bricks on University Blvd. Thanks, Ashley
