

STAFF SENATE GRIEVANCE COMMITTEE

November 10th, 2020 Meeting Report

The Staff Grievance Committee met on October 28th for our annual Orientation/Training meeting. We were joined by Mary Elizabeth Miles, Donna Ernst, and Angela Sparks from HR; the University Ombuds, Diane Tobin; the Staff Grievance Officer, Will Adamchik; and Staff Senate Vice Chair Andrew Grubb. All aspects of the grievance process were discussed, with each invited guest outlining their respective role in the process in detail.

There has been one new grievance filed since the last full Senate meeting. A small hearing committee has been formed and will meet with the grievant and first line supervisor this week. Details of the case will of course remain confidential, but I will report the final outcome at the next full Staff Senate meeting.

Respectfully submitted,

Jason Beare
