

STAFF SENATE GRIEVANCE COMMITTEE

April 13th, 2021 Meeting Report

One grievance has been filed since the last full Staff Senate meeting. The hearing committee is being chaired by the SGC Vice Chair, Barbara Bishop, and interviews are currently ongoing.

Leadership members from SGC, CODRE, and the Staff Senate Policy & Economic Development (PED) committee met on Friday, April 9th, to review the current grievance policy and look for areas where the policy may be strengthened.
