

University of Louisville – Faculty Senate Academic Programs Committee
Report to Staff Senate

Prepared by Sarah Frankel, Staff Senator for University Libraries
October 14, 2019

The Academic Programs Committee met on Friday, September 27. We reviewed and discussed three new proposals: a Post-Baccalaureate certificate in Organizational Change in Higher Education from College of Education & Human Development, an undergraduate certificate in LGBTQ Health Studies from College of Arts & Sciences and BS in Business Administration in Management from College of Business. The goal of the committee is to present at least the first proposal at the next Faculty Senate meeting on November 6, 2019.

The committee will be meeting again on November 6, just prior to the next Faculty Senate meeting and have two more new program proposals to discuss. Important note: the Staff Senator on this committee is an ex-officio, non-voting member.
