

University of Louisville - Faculty Senate (FS) - Academic Programs Committee (APC)  
Committee report for Staff Senate Meeting on June 9, 2020  
Prepared by Sarah Frankel, University Libraries

On May 6, 2020, Faculty Senate approved a proposal presented by APC for a new graduate certificate in “Managerial Analytics” from the College of Business.

While APC did not meet in June, on June 3, 2020, the Faculty Senate also approved College of Education and Human Development’s new certificate proposal in “Human Resource Leadership” and a new certificate proposal in “Artificial Intelligence in Medicine” from the Speed School of Engineering.

APC will meet again on July 1, 2020 as we have at least one new proposal in the pipeline.
