

Vice Chair Report

November 13, 2017

One of the most memorable events as being the Vice Chair for Staff Senate was emceeding the Staff Recognition Luncheon on Friday, October 27th. It was amazing to see and recognize staff that have committed 10, 15, 20, 25, 30, 35, and 40 years of hard work to U of L. The recognition of the staff from Dr. Postel was truly heart felt.

The University of Louisville Athletics Board held two meetings; one was a special session, which was an executive session. The quarterly meeting was held on October 24th. The audited financial statements were reviewed, election of officers and committee chairs were held. I have been elected as the Treasurer for ULAA. The complete minutes can be found here <http://louisville.edu/president/athletic-association/minutes/2017/ulaa-minutes-10-16-2017/view>.

Since my last report, I have participated in the officers meetings, Executive Committee meetings and the meetings with the Interim Associate VP for Human Resources, the Interim Chief Operating Officer and the Interim CFO.

Standing committee meetings have included the Policy, Economic, and Development Committee.
